DETAILED INFORMATION

Overview

The 480 Sea Ray Sedan Bridge offers plenty of luxurious living space indoors in the well-appointed cabin, and outside on the spacious command bridge, easily accessed via a molded stairway. "Margarita Lou" will surely be your home away from home with 3 staterooms and 2 heads. Cabinetry has the cherry gloss finish with a neutral color scheme for the seating, wall, window coverings and carpeting. Carpet covers protect the cabin carpet.

With a fiberglass hardtop, full enclosure and **dedicated bridge air conditioning**, the command bridge is the perfect place to entertain. Curved bench seating forwards of the helm gives guests a spectacular view while enjoying refreshments and entertainment using the stereo remote control. Additional custom seating was added on the bridge.

The console is large enough to house a tremendous amount of instrumentation, including a digital LCD systems monitor, while two fully adjustable captain's chairs provide absolute comfort. The captain can pilot in total confidence, too. Technical features on the Sea Ray 480 Sedan Bridge are complete with a **bow thruster**, engine synchronizer, crossover fuel and charging system, 13.5 kW generator with sound box, Glendinning self-winding power cable with wireless remote, plus a complete Raytheon electronics package, including a recently added **E120**. There is exceptional visibility from the helm to see the bow, stern and all corners of the boat, affording easier docking.

The cockpit affords travelers easy movement throughout with molded steps to the bridge and foredeck, sliding door access to the cabin plus convenient transom door access to the **hydraulic swim platform**. The platform has a remote control to launch the dinghy.

The salon is extremely livable with an electric convertible sofa and an entertainment center equipped with a TV hooked to **SAT TV** receiver, Bose Lifestyle Stereo System and six-disc CD changer. The galley to starboard is also fully equipped with appliances and ample storage plus a dinette for four opposite the galley.

Going down the steps to the stateroom companionway, immediately to the portside is the VIP stateroom with queen berth and entry door to the guest head just forward. To the starboard side of the companionway is the guest stateroom which has L-shaped twin berths that also function as a couch with their backrest cushions. The starboard side stateroom also features a washer/dryer. All the way forward on the companionway is the master stateroom with centerline oversized berth and en-suite head with enclosed shower.

"Margarita Lou" has been maintained by a dedicated owner who addresses maintenance and repair items on an ongoing basis in order to assure the comfort and safe passage of his family and friends.

Exclusions

Owner's personal belongings.
