SPECIFICATIONS

Overview

The gorgeous and impeccably boat house kept **Sandra Lee** is a flawless example from the legendary West Bay SonShip Yacht Builders. Known as industry leaders for styling, engineering, craftsmanship and operational systems, the folks at West Bay SonShip honed their craft in Western Canada for decades. **Sandra Lee** is the last 64 YF produced and she was custom built with a number of finely tuned upgrades that were over and above the standard 64 YF offering . The standard features are both robust and outstanding and the exceptional custom additions take the entire vessel to yet another level higher.

Her replacement costs today would easily exceed \$2.7 million. Her owner's have recently completed an in-depth upgrade of systems and furnishings. Plus she enjoys a number of highly sought after special features, including but not limited to;

- full hydraulics for bow and stern thrusters, windlass, power rotating davit and stabilizers
- the newly styled and engineered one piece door and curved staircase between the pilothouse/galley area and the command bridge
- Command bridge hardtop with full "Barrett style" enclosure
- (2013) updated Furuno electronics with AIS
- (2013) WiFi booster
- the 64 YF styled over sized galley and buffet with expansive stone counter tops
- (2013) newly installed and updated stainless steel Kitchen Aid and Bosch appliances
- new (2013) Kabola hot water furnace system with individual thermostates in each living area including the command bridge
- new (2013) Solaris hot water heater with recirculating pump for instant hot water at each fixture
- raised dinette seating for six, with stone table top and leather upholstery cushions
- twin Stidd helm chairs on command bridge
- single Pompanette helm chair at pilothouse helm
- WBSS 68 style L-settee and wetbar area on command bridge
- extended cockpit and lowered cap railing at sheer
- custom transom step "N" railings with kayak racks
- and so much more.....

Canadian duties have been paid.
