DETAILED INFORMATION

Accommodations

KNOT HOURS features three spacious staterooms all with their own ensuite heads and shower to include a King master with His and Her head along with two VIP Queen staterooms, all spanning the full beam of the yacht. The main deck can be considered as two distinct living areas with the pilothouse that includes an eat-in galley with a dinette and the elegant main salon with spacious seating to port and starboard, formal dining area forward, wet bar and entertainment center. Her aft deck includes upholstered bench seating with dining table, wet bar and stairwell up to flybridge. The spacious flybridge is equipped with ample sunlounge areas, dining tables, teak lounge chairs, wet bar, BBQ grill & enclosed with eisenglass. The 13' retubed Nautica tender is stowed on boat deck.

Main Salon

The main salon is accessed from the aft deck through the stainless steel, tempered glass sliding door. There is ample seating with custom upholstered curved sofas to port and starboard. The entertainment center is a corner unit equipped with state-of-the-art surround sound audio and visual equipment. Forward to port is a formal round dining table with six dining chairs, a full wet bar with bar stools to starboard. Continuing forward is the circular staircase that leads up to the flybridge and down to staterooms.

- Isolation transformer
- Glendinning cablemaster shore power cable system w/100' cable
- LCD touch screen control/alarm monitoring system
- 220/110v, 60Hz AC & 24/12vDC electrical panels
- (2) 24v DC 210 amp-hour battery banks for engine starting & ship service
- Battery parallel system at both helm stations
- 24v DC 60 amp battery charger
- (2) 12v DC 175 amp-hour battery banks for generator starting
- 12v DC 20 amp battery charger
- Vanner 50 amp 2v DC equalizer w/12v DC 120 amp-hour battery

Engine / Mechanical Equipment

- Twin Caterpillar 3412E 2800HP diesel engines, freshwater cooled, electronic injection/governor, reduction gearboxes, 24v DC starting
- Starboard Caterpillar engine completely replaced (new 2011)
- Port Caterpillar engine overhauled (2011)
- Local mounted start/stop instrument panels for main engines & generators
- Underwater exhausts w/bypass & fiberglass mufflers

- (2) New 5-ton chillers w/frequency drives (2015)
- Centek combo generator mufflers, air/water separator type w/hull side exhaust
- Engineered ventilating system w/intake blowers taking air in via air/water separator filters
- Fireboy fire protection system, automatically actuated fire extinguisher system w/ audio & visual alarms
- Naiad 12", 32 HP hydraulic bow thruster driven from Live C Pad
- Datum Naiad stabilizer system w/7.5' fins & dual station control
- SK 1200 GPD watermaker
- Power hydraulic steering system
- Engine driven emergency bilge pumping system for engine room bilges
- Lube oil change system manifold & hoses to engines & gearboxes
- Racor fuel filters w/vacuum gauges for main engines
- Racor filters w/vacuum gauges for generators
- (2) 30 gallon water heaters, dual element, quick recovery type
- (2) Headhunter Mach 5 waterpump & accumulator tank for freshwater system
- Cartridge style whole system water filter unit
- Fresh water hose bib
- Automatic sump pumps
- Automatic bilge pumps for each separate compartment in vessel
- Fuel management system, consisting of fuel shut-off valves, fuel transfer pump with meter system & selector manifold
- Hart tank tender gauges for fuel, freshwater, black water & grey water tanks, pneumatic pump type
- Black water tank level indicator & high level alarm
- Black water holding tank system
- Macerator pump for pump out of holding tank direct overboard, or to vented deck fitting for shore side disposal
- Bronze raw water strainers for all engines & sea water pump intakes
- Seacocks on all through hull fittings below the waterline
- Battery condition indicator
- Engineered sound vibration & noise attenuation system for engine room spaces consisting of lead tile sound barriers and Mylar faced synthetic lead-foam insulation covered with white painted aluminum perforated sheeting. Custom sound mounts for main engines, generators, engine room stanchions, head pumps/motors, air conditioning compressors and sea water cooling pumps
- Drip trays under engines
- Seashaft 22 or equal propeller shafts
- Stainless steel rudder blades
- Nibral propeller shaft struts
- Nibral propellers, 5 blade, class S, dynamically balanced
- Durumas cutlass rubber stern and rudder bearings
- PYI packless shaft seals
- Automatic 24v DC emergency lights
- Smoke detectors

- Watertight entrance door from aft swim step to crew area
- Watertight emergency escape hatch from engine room to master stateroom
- Underwater lights

Comments

KNOT HOURS represents the only Bravo series ever built with three spacious staterooms to include a full beam King master with his and her bath and two VIP Queen guest staterooms each with private baths, spanning the full beam of the yacht. Her contemporary interior is tastefully done in neutral tones accented with stone and granite throughout. Powered by reliable Caterpillar 3412's, she cruises comfortably at 18 knots. Additional amenities include full walk-around decks, large open aft deck and flybridge with built-in hardtop, wet bar, BBQ grill and spacious seating. The 13' re-tubed Nautica tender are located on the boat deck. Maintained in great condition with new upgrades to include; Garmin GPS, multi-function depth/speed, FLIR system, LG TV and new bottom job & servicing at American Shipyard Sept. 2017!
