The inside helm console has a sweeping futuristic sportscar design. The yacht comes beautifully finished in cherry wood and the finest Italian fabrics and leathers.

The Master and VIP staterooms contain walk-around double berths, numerous light-filling ports and skylights, ample stowage space and a walk-in wardrobe in the Master Stateroom. The two in-suite head compartments have stunning blue crystal counter tops.

From the cockpit, the molded steps gently rise to the flybridge above. The flybridge contains another nicely-designed helm station and plenty of additional space for entertaining and relaxing with guests.
