---

## Manufacturer Provided Description

---

The 4000 Express combines styling and performance with traditional Tiara standards and reputation for rugged dependability and sea-keeping ability. The cockpit offers truly social seating - with an electric double-wide helm seat, abutting companion seat, aft-facing lounge, and rear lounge. The patented cockpit table of molded fiberglass does triple duty as a cockpit table / dining table / sun pad. The unit disappears flush into the cockpit sole when not in use. Engine room access is concealed in the aft-facing lounge, and can also be accessed by lifting the main engine hatch, with hydraulic lift. The interior comes in 2 floor plans. Plan A sleeps 6 and includes an 11 foot starboard lounge, with removable pedestal seats and dining table (lounge also converts to 2-person berth). Also featured is a complete galley, private owner's stateroom with queen-size pedestal bed, head with separate enclosed shower, and a private mid-cabin stateroom (with head). Plan B offers an expanded salon floor plan aft - for optimum socializing / dining, with curved companion lounge, and facing L-lounge.

---

## Exclusions

---

Owner's personal belongings.
