## Engine Information

---

**Engines:** 2

**Manufacturer:** Cummins

**Model:** C

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Highlights

---

This "Carolina-style" convertible sportfish was custom-built by hand in 1997 on the Chesapeake Bay of Virginia for use in the Bahamas.

Refit and upgraded in 2013 with Cummins "C" series diesel engines, all new wiring, and new plumbing. To complement the new mechanicals, the house was repainted with Awlgrip and any flaws found were repaired or replaced.

This gem is a "head turner" and always draws attention at the dock with her quality look and superior lines. Her interior space is well appointed and planned for someone who stands 6'4" tall.

Modern construction and optimum hull design make her a pleasure to own and run. Capable of 27 knots, with a 22 knots cruise consuming fuel at less than 28 gallons per hour. This "pocket yacht" is cruise-able, fish-able and livable drawing attention wherever she travels while being fun to operate.

Ready for a new owner to take the helm and go!

## Accommodations & Layout

---

### Salon/Galley

- Large salon
- Bright windows
- Fold out double-sized sleep sofa
- Simple furniture (removable)
- Custom fold-out dining table, seats four
- Galley up with ample counter top work space
