SPECIFICATIONS

Overview

This Bayliner 175 BR is in like new condition inside and out. This boat has been meticulously maintained, always stored covered indoor, never left in the water with service always performed by the dealer. This is a complete package, ready to go and have fun with all the included water toys or just cruise and relax. The original standard depth gauge was replaced with a Lowrance Elite 4 HDI GPS/Chartplotter/Sonar. The aftermarket swim platform was added, lengthening the boat by almost 2 feet and included a longer stainless steel boarding ladder. Covers and Bimini are in excellent condition and a full boat cover is included. New tires were installed on the trailer at the end of the 2014 season and the fold away tongue is a nice space saving feature. LED sealed brake lights were installed on the trailer.

Owner is willing to discuss delivery.
