Remarks

This 2005 34' Yellowfin is in a class of it's own and shows the amazing craftsmanship and ride that only Yellowfin is known for. In it's time, it has had only one other owner and both previous and current have meticulously maintained the boat with service records to prove. In 2011, the boat underwent numerous upgrades and retro fits from factory including fresh paint

job, electronics package, tower, upholstery, fuel tanks 3 x 150 gallon and engine repower with warranty till 2017. This boat also features the latest technology in side structure imaging, coupled with multiple live wells and tuna tubes, making it able to accommodate all types of fishing. This boat has been kept in dry storage it's entire life and shows very, very light usage. With it's jet black hull and blazing speed, this 34' Yellowfin is guaranteed to turn heads, getting you to and from the fishing grounds. The owner is motivated to sell and will entertain all offers.
