SPECIFICATIONS

Overview

This brand new 2015 Horizon V80 motoryacht is a four stateroom layout + crew and is fully-loaded with Furuno electronics, water maker, a custom interior and a full custom AV system. Equipped with CAT C32 1622 HP engines, the V80 also features ABT zero speed stabilizers, bow and stern thrusters, and everything needed to cruise anywhere from Alaska to the Caribbean!

A yachting enthusiasts dream, the V80 lines are inherited from the V72 but are proportional and functional with a cockpit, which can be designed to accommodate the avid angler, diver, or a complete array of family water sports. A spacious four stateroom en-suite layout will leave little room for complaints during any cruising venture. The aft stateroom can be used for crew or guests. The custom bow seating and entertaining area greatly expands the usable exterior space. The V80 hull has proven excellent sea keeping characteristics and maneuvering around the docks will be simple with the yacht controller remote.

DETAILED INFORMATION

Specifications

OVERVIEW:

This skylounge Horizon V80 features a four stateroom ensuite layout below deck, with a King Master stateroom, Queen VIP stateroom, and two twin guest staterooms. Dining for eight is offered in three different locations – the main deck dining area, aft deck dinette, and a forward seating and dinette area -- and the V80 provides a total of five entertaining areas, including a sit-down bar and BBQ on the flybridge as well as seating and lounging area on the foredeck; she is truly laid out to entertain with family and friends, whether you are relaxing on board or cruising the open ocean. The V80 cockpit and accompanying hydraulic swim platform are functional for watersports, handling dinghies, as well as entering and exiting the vessel, and the boat deck wet bar with BBQ and seating ensures the ideal place for alfresco fun; there is still room left over on the boat deck for a dinghy or Jetskis. A new design for the foredeck, the dinette seating area and sunpads are flexible for entertaining, sunbathing or taking in the view.

Equipped with CAT C32A 1622HP engines, the new Horizon V80 reaches a top speed up to 25 knots and cruises at 20-21 knots. Complimented by a fire suppression system; Steelhead 2000lb davit; zero speed stabilizers; bow and stern thrusters; and a custom Furuno navigation system, the V80 is the perfect yacht for cruising in Alaska or the Caribbean.

DETAILS

While the majority of yachts in use today are full motoryachts, the benefits of a cockpit are fast becoming recognized as offering tremendous flexibility in use and increasing the overall user friendliness of the yacht. The cockpit offers many alluring attributes such as easy ER and crew access; space for fishing and watersports; increased storage; safe and easy access to the vessel from floating docks, and a stunning profile. With those in mind, Horizon began constructing a V80, designed specifically for the U.S. West Coast, in 2014 that incorporates the needs of our local boaters.

With a 20'6" beam, the V series allows for an interior design that makes it feel like a much larger vessel. Combining natural lighting via oversize windows, a single level main deck, and 4 ensuite staterooms -- plus separate crew quarters -- you have the makings of an incredible yacht. The staterooms were designed to create an open and light feel with the full beam master amidship, his and her sinks, a walk in closet, California King Bed and oversize shower. Complimented by a VIP as well as twin port and starboard staterooms, and a washer dryer the fwd. accommodation, the V80 ensures your guests the ultimate in luxurious living.

A walk up bar with a refrigerator, ice maker and wine cooler is located just aft of the galley and flows nicely into the salon. This area was designed to be relaxed and is ideal for entertaining or just to sit and watch a movie on the 50" TV. For privacy away from the galley, there is an electric partition that raises between the salon and galley, allowing the galley to be utilized without interfering with the gatherings in the salon. The fully-equipped galley accommodates plenty of storage and counter space and features high quality appliances as well as easy access to the side deck via the port and starboard wing doors. On nice, cool days, these doors can be opened for a natural flow of air from the galley through to the stainless steel aft deck sliding doors.

A general rule in design is if you sleep eight, you should accommodate eight for dining; not only did the V80 follow this rule, she exceeded it by providing for ten at the dinette. The aft deck provides comfortable dining for eight and a more relaxed, alfresco-style dining; the flybridge boat deck can be utilized for a more intimate setting, and the enclosed skylounge offers an amazing panoramic view from the windows.

The addition of the cockpit creates a very versatile area, and in conjunction with the aft deck, makes it the perfect location to relax while at anchor and watch the water sports activities or fishing. A hydraulic swim platform enables you to carry a jet ski in addition to a tender on the boat deck, and when partially submerged, you can keep the removable rails for your own little spa deck. Horizon has also accommodated a day head on main deck that is accessed from the aft deck, so there is no need to enter the salon to use the head during outdoor activities.

This particular V80 includes the enclosed bridge that ensures cruising in cooler or inclement weather is a breeze. The full 360-degree windows provide excellent visibility, and the twin helm chairs and aft seating make cruising a social event. Just aft of the enclosed bridge is the boat deck, which houses a full wet bar, seating and just about the most perfect place to enjoy the sunset with guests. The new foredeck design provides not only seating but also a sun pad for enjoying those lazy days at anchor, with the cool breezes coming in from the ocean. We are sure this will be one of your favorite places to sit and escape from reality, even if for a little while.

A twin bed crew cabin can be accessed either from the cockpit deck or via the internal staircase in the salon; this means the crew can enter the engine room without disturbing the guests on the aft deck or salon, and also allows safe engine room checks to be done while at sea.

On a final note - while most vessel showings and viewings are completed during the day, we invite you to take time to visit the V80 at night. She has a custom interior and exterior lighting package with full LED lights, under water lights and some very creative lighting to enhance the space and create a natural, warm ambiance that carries from day to night.

New Features of the 2015 V80

- 4 cabins with 4 heads in fwd area. (it was designed 3/3 only before)
- Day Head on Main Deck
- All new fwd. deck arrangement - seating for 8 and optional folding bimini

- Main engine girders w/ high density foam coring
- Deck & superstructure foam cored reinforcement for rigidity
- International anti-fouling bottom paint, w/ anti-osmosis treatment

Engine & Propulsion Details

- Twin CAT C32 1622HP Tier 3 engines
- S/S shafts Aquamet 22HS
- Main & intermediate bronze struts w/backing plates
- Shaft & rudder packing glands w/ Tides Marine seals
- High performance 4-blade propellers
- MMC electronic engine control system on main helm
- Hynautic power steering system
- Yacht controller system at aft deck
- S/S emergency tiller
- S/S rudder w/ zinc plates
- Exhaust system for engines w/ mufflers
- Fiberglass water/smoke silent exhaust
- Trident hump hose for engine exhaust
- S/S covers for engine exhaust pipes
- Hydraulic ABT bow & stern thrusters, 38HP
- Zero Speed Stabilizer 370/12X
- S/S hydraulic trim tabs
- Quiet sound insulation in engine room
- Engine compartment blowers, (2) AC & (2) DC
- One AC outlet
- S/S grab rail beside engine
- Engines mounted on S/S channels
- Air compressor

- Heavy-duty, insulated ER door
- NUTONE central vacuum system

Mooring System:

- Vertical Hydraulic anchor winch “MAXWELL VWC4000”
- Stainless steel 227 LBs (V80) CQR type anchor

Electrical Systems

- LED interior & exterior lighting system
- Onan 27.5kW & 17kW generators w/ sound shield
- AC power supply from generator or shorepower
- GFI protection for all AC outlets in heads, galley & ER
- Electrolysis bonding system
- BEP water/fuel level indicator
- (2) 50A shorepower connections aft
- Shorepower plug on fwd deck
- Select switch for AC power supply
- (4) AGM batteries for engine & generator start up
- (4) AGM batteries for ship service power
- (2) 2kW inverter/charger in lieu of std 3kW
- BEP battery switch
- 50A battery charger for engine start up batteries
- 75A battery charger for service batteries
- 40A DC-DC converter
- Power supply system for DC lighting
- (4) Underwater lights
- (2) Zinc anodes on transom

Interior Decor & Equipment

- Custom interior décor with high-gloss wood
- Guest accommodations include master stateroom, stbd & port twin cabins & VIP cabin, all en-suite
- Crew area has twin cabin with crew mess, head & work space
- Washer/dryer in guest companionway
- Granite countertops in all heads, heated stone floors
- Custom rain shower in Master bath

SALON

- Sofa, loveseat, two chairs & coffee table
- Custom glassware cabinet & storage
- Custom bar area with granite countertops, U-Line refrigerator & U-line wine cooler

GALLEY/COUNTRY KITCHEN

- Granite countertops and floor
- Storage cupboards, drawers and lockers
- L-shaped leather dinette with table
- Full height refrigerator
- Custom cooktop with S/S holders
- S/S sink

CREW QUARTERS

- WAECO refrigerator
- Microwave
- Side-by-side washer & dryer

Electronics

AFT DECK

- (2) Speakers through salon audio

SALON

- 55" LED TV
- Home theatre system with 5 speakers

MASTER STATEROOM

- 46" LED TV
- DVD/CD radio
- (2) In-ceiling speakers

VIP STATEROOM

- 32" LED TV
- DVD/CD radio
- (2) In-ceiling speakers

TWIN STATEROOMS

- 22" LED TV
- DVD/CD radio
- (2) In-ceiling speakers

CREW QUARTERS

- 22" LCD TV in cabin
- CD+AM/FM stereo (2) In-ceiling speakers

FLYBRIDGE

- (2) Waterproof speakers under hardtop
- CD+AM/FM stereo
- TV antenna on top of radar arch

PILOTHOUSE

- 32" LCD Hi/LO TV
- DVD stereo
- (2) Speakers
- Custom Furuno navigation package
- Ritchie magnetic compass

Pilothouse:

- In lieu of lower helm, this layout features a spacious Country Kitchen

Master:

- Custom shower faucet with LED rain shower in Master Head
- Upgraded TV to 46"

VIP Stateroom:

- Upgraded TV to 32"

Guest Staterooms (2):

- Upgraded TV to 22"

Crew:

- Upgraded TV to 22"
- Refrigerator
- Microwave

Skylounge & Boat Deck

- Enclosed skylounge w/ opening side glass windows; wood interior & floor; air conditioning; L-shaped dinette w/ wood table & 2 fixed stools; chart table w/ chair; two STIDD black helm chairs; custom helm console; internal stairs to salon; door to boat deck
- Nonskid boat deck
- S/S rails around boat deck
- Steelhead dinghy davit Steelhead SM2000
- Custom wet bar with sink, BBQ, storage & refrigerator
- Custom S/S bar stools for wet bar

- Storage cabinet to stbd
- Custom exterior S/S rails under hardtop for easier maintenance
- Electric air horn on top of hardtop
- Heavy duty SPEICH s/s wipers w/ washer system & variable speed control
- Helm console with integrated instrument panel; full set of engine instruments; engine alarm system for low oil pressure & high water temperature; monitoring system for important equipment; fuel/water level indicator system; monitoring system for tanks

Boat Deck:

- Stainless Steel Rails
- Upgrade to SM2000 Steelhead Davit
- Wet bar package: U-Line refrigerator & Siemens Electric Barbecue
- Extra hatch on top of skylounge
- Custom designed Stainless Steel barstools (3)

Mechanical Systems

- Chilled water Marine Air air conditioning w/ backup pump
- 1,800 gallon aluminum fuel tanks w/sight gauges
- Dual Racor 75/1000 MA fuel filters/water separator, each engine
- RACOR 500MA fuel filter for each generator
- Oil change pump system for engines & generator
- 300 gallon fiberglass water tanks
- Pre-wire for water maker
- Marine grade lines & color-coded piping for fresh water system
- (2) 20 Gallon water heaters
- High-volume AC fresh water pressure pump & back up DC pump
- Electric toilet system
- 100 gallon holding tank w/macerator pump
- "Y" valve for holding tank for dockside pump out
- Holding tank level indicator
- Sump pumps for drains overboard
- Electric RULE bilge pumps
- Manual bilge pump in ER
- High water level alarm for bilges
- SeaFire automatic/manual fire extinguisher in ER

Home Appliances:

- GE or Siemens refrigerator.
- GE or Siemens electric cook top
- GE or Siemens microwave convection oven.
- GE or SIEMENS dishwasher

- GE garbage disposal
- ROAN trash compactor (model: 1055)
- GE or SIEMENS washer/dryer in lower deck walkway

Navigation system:

- A Custom "state of the art" Furuno electronics package is included. A detailed list is available upon request.

Entertainment package:

- Salon: Samsung 55" LED TV w. home theater system w/ 5 speakers
- Master Stateroom: Samsung 42" LED TV
- VIP Stateroom: Samsung 32" LED TV
- Guest Staterooms: 22" TV
- TV antenna on top of radar arch

Exterior Deck & Equipment:

- Hydraulic Hi/Lo platform on stern
- Underwater lights on transom under swim platform (4 units)

Forward & Aft Decks

- Non-skid fwd deck
- Frameless windows with tinted safety glass
- S/S portholes with screens, total 12
- Fiberglass cap rail
- S/S rubrail around hull deck joint
- Heavy-duty S/S 2" handrail w/ 1-1/4" stanchions
- Heavy-duty S/S cleats
- Vertical hydraulic anchor winch Maxwell VWC3500C and VWC4000
- S/S 227lb CQR type anchor
- High tensile 300 feet 3/8" anchor chain
- S/S roller & chain stopper for anchor chain
- (2) Deckhouse side entrance doors
- (2) FRP bulwark side doors
- Folding bimini for U-shaped forward bow settee
- Sunpad cushions with storage underneath
