## Features

---

### Inside Equipment

- Air Conditioning
- Battery Charger

## Description

---

This vessel/engine combination has been fine-tuned for a quick get-up-and-go configuration that will top out at **70+ MPH** at wide open throttle. Powered with Quad 300 Mercury Verados (**150 hours**) and **2 years remaining on the engine warranty**, this **Motion Center Console** is priced to sell. This Motion Center Console is configured with a twin berth layout which includes a forward berth (sleeps 2+) as well as a midship berth (sleeps 2). Both berths are lighted and **air condition**. The custom 6 post tower & helm seating were designed and installed by Miami's premiere welder, Pipe designs. They were both made with the strongest and lightest metals available. The top and seating are not only gorgeous, but extremely durable. The control station lay-out was meticulously configured with ease in mind! It is backed by a very appealing carbon fiber background and the Garmin display is in plain sight. Coupled with the easy to use Mercury Vessel View command centers, and digital fly-by-wire mercury throttles Cabins are air conditioned and LED lighted, deck is lined with teak floors, tan color bedding with an off white headliner ( all done by Fine Line interior). The berths were designed with simplicity in mind as they are usually used to get out of the hot sun, or store personal items.

## Electronics & Navigation

---

**Electronics package includes** (1) Gamin 7212 GPS (1) Icom 504 VHF (1) 8' digital antenna Shakespeare (2) Mastervolt PoweCharger 12/40-3 (charges house/engine banks) house bank to run electronics/stereo is 2 Class D batteries (1) Mastervolt Mass Combi (to handle AC system) AC system uses this inverter/charger system and a bank of 5 batteries ( solely for AC and cabin power)

## Stereo

---

**Stereo system:** (1) Fusion Stereo (2) Fusion Remotes **Speakers throughout with Subwoofers**

---
