## Overview

---

*This 84' Lazzara, **SERENITY** is one of a kind. Her aft deck has a varnished teak dining table with (4) chairs and a settee that seats five ideal for morning sunrise coffee or evening sunset cocktails. There is a sink built into a custom made cabinet with ice maker and refrigerator and located above this cabinet is a flat screen TV. Sliding glass doors lead into the modern, airy salon with white leather and light blue fabric seating and cream color sculpted carpet. The wood paneling throughout is southern pecan color with a zebra pattern in the wood. The starboard corner houses a 40" flat screen TV. Forward from the salon is the dining area with table and seating for six. Forward is a day head to starboard and galley to port with a center island, Kitchen Aid appliances, and flat screen TV. This area has cream colored marble floors and black granite counter tops, and to port is a roomy settee and table that can seat 4-5 guests. To starboard is the helm station that seats two. There is an exit with sliding door to starboard that leads to the bow or aft areas. This entire area can be closed off to provide complete privacy to the guest. In between the helm and settee are steps that lead to the forward Captain and Crew quarters laundry area and Captains Office. There are three V.I.P. luxury staterooms located down a separate staircase on the starboard side, mid ship of the salon. The companionway/foyer area for the guest rooms has black and ivory color marble flooring. There a washer and dryer located in this area. The master V.I.P. suite has a king size center berth, large walk-in cedar lined closet, desk area with chair and drawers. The in suite head has double sinks with brown & gold flecked granite tops. Walls and floors are all cream color marble with black granite accents. The very large walk in shower is all custom made for the luxury yacht **Serenity**. The fly bridge entertainment area can be entered from an internal staircase forward from the salon or from the aft deck. The bridge has two dining sections each with settee style seating and varnished teak tables. A hot tub is situated in between these areas; a bar with grill is to port. The custom hardtop was fabricated to be flat instead of the regular arched Lazzara hardtop giving Serenity her un-mistakable sleek look and style. Additional crew quarters are located aft and entered thru the transom door passage way to the engine room. Two of Serenity's world class professionally trained crew are located here steps away from the entrance to the walk-in engine room. The Lazzara luxury motor yacht fleet has established a well deserved reputation of prominence in the yachting community. **Serenity** at 84 feet in length is perhaps the most desirable relative to form, function and manageability making your luxury yacht charter vacation a memory of a lifetime! The vast state of the art equipment list and amenities on **Serenity** are complimented by her impeccable condition.*

## Walk-Thru

---

SERENITY is entered from a passerelle extending from the starboard aft deck. There is a varnished teak dining table with (4) chairs and a settee that seats five. The sink is built into a custom made cabinet with ice maker and refrigerator, above this cabinet is a flat screen TV.

Sliding glass doors lead into the modern, airy salon with its white leather and light blue fabric seating and cream color sculpted carpet. The wood paneling throughout is southern pecan color with a zebra pattern in the wood. The starboard corner houses a 40" flat screen TV. Forward from the salon is the dining area with table and seating for six. There is plenty of storage for flat ware and stem ware in a glass panel cabinet. To starboard is additional cabinets and drawers.

Forward is a day head to starboard and galley to port with a center island, Kitchen Aid appliances, flat screen TV. This area has cream colored marble floors and black granite counter tops. Forward of the island to port is a roomy settee and table that can seat 4-5 guests. To starboard is the helm station with Stidd helm seats that seats two. An exit with sliding door is also to starboard that leads to the bow area.

In between the helm and settee are steps that lead to the forward two guest staterooms each with ensuite heads. In the foyer of this area is a washer and dryer with a small desk/counter area and chair.

The other three staterooms are located down a separate staircase on the starboard side of the salon. The companionway/foyer has black and ivory color marble flooring. There is another washer and dryer in a closet and next to this is a linen closet. The master has a king size center berth, large walk-in cedar lined closet, desk area with chair and drawers. The ensuite head has double sinks with brown & gold flecked granite tops. Walls and floors are all cream color marble with black granite accents. The very large walk in shower is all custom made.

The flybridge can be entered from an internal staircase forward from the salon or from the aftdeck. The bridge has two dining sections each with settee style seating and varnished tables. A hot tub is situated in between these areas, a bar with grill is to port. The custom hardtop was fabricated to be flat instead of the regular arched Lazzara hardtop. The dinghy is aft on bridge with a 1,100 lb. davit.

The crews quarters are entered thru the transom door which consists of the captain's cabin with full size berth and second cabin with a single berth and shared head. From this area is the entrance to the walk-in engine room.
