Overview

*Symbols pilothouse yachts were custom built for serious individuals with a limited production for less than 10 years by a quality and well-known builder in Taiwan. **Symbols are known within experienced yacht circles offering high quality, desirable yachts which cater to “cruising couples”.** Jack Sarin (a well-known naval architect in Washington) is known for his designs - and engineers superior, sea-kindly hulls with tons of volume and aesthetically, trend-resistant & pleasing lines. The ride is flat, comfortable and quiet in all points of sea conditions - offering the capability to **cruise at economical displacement speeds or run at 20 knots as a semi-displacement hull.** She is extraordinarily easy to handle and maneuver. Docking is a breeze with high walk-around deck (this feature is also appealing to pet owners!). “Boundless” is indeed a mini-megayacht, with an upscale interior, superior equipment and heavy-duty construction which savvy yachting couples will find extraordinarily appealing.*

*“Boundless” has been highly well-maintained by only 2 knowledgeable owners. She has traveled extensively from South Florida, the Bahamas, the US east coast and into the Great Lakes area where she resided for the last 3 years. **This boat gleams from mast to keel and is in extremely rare BRISTOL class condition!***

*Note that “Boundless” features a lovely wood interior with a pilothouse, mid-ship master stateroom (with king bed) plus two guest staterooms and desirable equipment including the latest Wesmar stabilizers, bow and stern thrusters, tender, satellite tv and more. **She is fully equipped, wants for nothing and is ready to cruise!***

Priced attractively for sale and easy to inspect anytime in Sarasota, FL.

Manufacturer: Caterpillar

Model: C12

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations and Layout

The interior of "Boundless" features **satin-finished teak** paneling with burl accents throughout and a notable abundance of **finely crafted curved cabinetry**. Fabric themes are **earth tones** for the main deck upholstery. The galley and heads have beautiful **granite (beige w/black flecks) countertops, teak/holly flooring throughout the boat** and **Grohe** fixtures. Carpeting throughout is a **beige low-cut luxurious weave**. Note the **large viewing windows** throughout which provide plenty of sunshine and s/s opening portlights in the staterooms. Cabinet pulls and plumbing fixtures are matte-finish stainless finish. All **closets are cedar-lined**. Storage is maximized throughout the yacht.

The spacious **salon** features a leather L shaped settee to starboard with storage below, a **hi-lo** electric lift varnished table, and a lovely set of louvered cabinets to forward which house the entertainment center (**pop-up** lcd tv). Two custom barrel chairs are on the port side with a nice built-in glass cabinet between. A stainless steel framed sliding door and large windows provide plenty of viewing ability and lighting.

The pilothouse is up two stairs with an **L-shaped settee featuring a custom wood table for dining** to port, a centered helm station with a **Pompanette helm chair** (can be swung to face settee table) and an intimate galley aft and starboard. The **walkaround decks** can be accessed either port or starboard by watertight doors. A stairway to port accesses the flybridge through a watertight Pacific Coast door/hatch.

Accommodations are reached via a stairwell starboard in the pilothouse. The **master stateroom** is aft with a bath to starboard (**note the over-sized 'party shower'**) and cabinetry to port with his/hers hanging lockers and a vanity forward. The **master bed is a king centerline** (note custom mattress) with drawers and nightstands on either side. Through a foyer/landing and up two steps is an inviting and cozy **Guest stateroom** to port featuring a convertible desk (and a hanging locker) and a **VIP stateroom** with a **centerline queen bed** (hinges up). These **two staterooms share a roomy bath** (two access doors) with a stall shower.

Galley

The galley features a **U-shaped granite countertop** with ample storage cabinets (including optional **overhead cabinetry**) and a nice viewing window next to the starboard wing door, plus an **opening to the salon area**.

Refrigerator/freezer by G.E. 18cu ft (teak paneled)

Vimar interior outlets and switches

Electrical outlets (interior and exterior, gfci where needed)

Exterior courtesy lighting (Cantalupi)

Exterior spreader lights (FB)

Navigation lighting (Aquasignal) (note hinging anchor/running light at arch)

Courtesy interior valence lighting

Reading lights (staterooms)

Jabsco searchlight (PH/FB)

Deck and Hull

The hull has shallow propeller pockets and is solid FRP lay-up. Hullsides, decking and the superstructure are all foam-core laminate. Windows are tempered safety glass (sides tinted) and frameless w/silicone seams. The Pilothouse has 3 large window panes for easy visibility

*(2) water tanks and (2) holding tanks are plastic. Drains, sumps and bilges are connected to a common manifold FRP tube that runs lengthwise down each side and discharges aft under platform. Main **exhausts are underwater** type w/stern bypasses. Air intakes (ER) and fuel vents are mounted inside on the walkaround decks.*

*The aft deck teak flooring is oiled and in fine condition. **Aft deck caprails are teak-covered and vanished with Awlclear topcoating (perfect finish which lasts for years)**. A s/s ladder with teak steps and a sliding hatch accesses the flybridge. A **lazarette** area (access via large aft deck hatch) offers **plenty of storage** and access to the engine room. A transom door opens to an integral swim platform with a swim ladder and shower. All exterior decking (walkarounds, flybridge and foredeck) are covered with molded “pyramid” non-skid and finished w/**tan-colored Awlgrip**. Foredeck with dual storage hatches and a anchor pulpit. All deck rails and fittings are polished 316 stainless steel.*

*The flybridge features an **L-shaped settee to port** (sunbrella covered cushions 2014) with a table and a **bench seat to starboard**. Twin leather upholstered, high end Pompanette **helm chairs** services the helm. Aft of the settee is a **wet-bar, electric grill, icemaker/drink fridge and storage**. **The radar arch is not only hinged to permit navigating extreme low clearances - but the Satellite tv and masthead light have been customized to provide for a 20.5' clearance needed to make the Great Loop passage!***

***Propellers** – bronze Faster 4 blade*

Struts –s/s one pair w/rubber cutlass bearings

Dripless shaft and rudder seals***Hynautic Trim Tabs (extended to allow for extra weight in the lazarette storage area)******Bimini Top w/ss frame (re-covered 2011)****Exterior covers - black sunbrella (FB)(2011)**Textaline cover (PH and Salon windows)**Custom maindeck door screens which snap on when wanting to 'open' up the doors**Venturi windscreen (FB) – clear plexiglass w/s/s frames**Airetex polished s/s sliding salon door and aft window frames**Pacific Coast watertight door (FB)**Bomar deck hatches w/ Oceanair screen/shade systems (VIP and PH)****Muir windlass w/deck and two station controls****Muir auto-anchor 500 (w/chain counter) (FB & PH)**80# Stainless steel plow anchor w/galvanized chain**800 # Davit by Brower (rebuilt 2011)****Boston Whaler 11' with steering console tender w/25 hp Mercury outboard (sunbrella covers 2011)****Fenders and docklines**Deck fresh and salt water washdowns**Transom shower and swim ladder**(4) Stainless steel "hoops" on swim platform (removable)*

Engine Room and Mechanical Systems

*The engine room offers full **stand-up headroom** with good access throughout. Engines are mounted on one-piece polished stainless steel beds. (2) 375 gallon saddle FRP fuel tanks (connected via a common hose w/ballvalves, sight gauges, distribution manifold). (2) 125 gallon plastic water tanks.*

Caterpillar C12 electronic twin diesel power. All engine service has been methodically provided since new. These engines are known for durability, service-ability and reliable operation.
