SPECIFICATIONS

Overview

Custom built by Barcos Deportivos, SYL features a stylish design and a flush deck configuration resulting in a fast streamline sailing sloop with spacious deck spaces and interiors in an extremely modern and sophisticated design. The partnership of Victor Tebar with Barcos Deportivos design team has conceived a cool and light atmosphere all over. SYL accommodates up to eight guests in four sumptuous staterooms. The master cabin features a double berth with a full en-suite bathroom and the three double guest cabins are perfectly designed to provide relaxing, comfortable spaces for guests. Six crewmembers have two cabins with double berths and two additional bunks. The integrated sailing and control systems on board SYL, along with her carbon mast, furling boom and self-tacking jib assure easy sail handling and smooth passageways worldwide.

A completely retractable, vertically and hydraulically operated carbon fibre daggerboard gives a minimum draft of 2 m and a maximum depth of 6 m, whilst sustaining perfect sailing stability.
