DETAILED INFORMATION

70' Azimut Motor Yacht ALFOZ

The 70' Azimut Motor Yacht ALFOZ is an extremely low hour Azimut, it is a world class motor yacht competent and capable of world traveling. It's owners are exceptionally discerning world travelers and only use the boat when vacationing in Miami several times a year. Alfoz has been outfitted with many upgrades, with Azimut Yachts finest options and continually upgraded with intelligent aftermarket options. Alfoz is currently the only 70 in the US equipped and marketed with Two ASEA frequency converters while not needed while operating in US waters. Powered with dependable twin 1360 HP MAN Commonrails that have just been serviced 11/2015 by a local dealer and twin 20kw stacked Kohler Gen sets in quiet boxed serviced 11/2015 and Xenta Docking System with upgraded Joy Stick Controls 02/2016. Additional options also included are twin updated Sea Keeper 7000 Gyro Stabilizers, 6 Blue Underwater Lights, she is self-sufficient for extensive Bahamas/Caribbean/European/Cruising including an AVON 320 Jet Tender that is sleek and fast.

WALK THROUGH

It should be noted that "ALFOZ" has been maintained to a very high standard and is always ready to move at a moment's notice.

SALON

Entering the Salon you will immediately notice the highest quality fixtures and fittings. There is a Silk Rug on top of the Bound carpet which makes the entrance very inviting. The forward and to aft facing open leather seating areas with large draw storage permit a large sophisticated conversation area that offers a positive elegance that is soft and livable. The starboard side receives three movable ottomans that convert to movable tables, the backrest raises and lowers to provide complete views from the over sized windows. The windows feature electric blinds with the matching fabric on the rear salon Tri Frame Stainless Steel Opacmare doors. The port side of the salon encompasses the salon entertainment system consisting of a 46" Sharpe Flat screen TV that raises and lowers electrically, a BOSE Lifestyle Stereo Surround Sound System with cube speakers and a sub woofer, Mini Mac Apple Computer, KVH Direct TV Receiver, Apple Television. The entertainment area also features a storage cabinet and 3 draw storage on both sides.
