ХАРАКТЕРИСТИКИ

Обзор

PLAN B has had extensive upgrades and continuous maintenance to include new hull paint and engines overhauled in 2014. It is hard to explain how many detailed improvements this vessel has received from her owner. Making this Tiara perfect is a passion that this owner will not let go of, when not making improvements he is researching improvements. From the windlass on the bow to the boarding ladder on the back of the swim platform, everything works flawlessly or it is replaced, rebuilt or engineered. Spotlessly perfect condition from bow to stern, keel to top of navigation light. Must be seen to be fully appreciated!

Основная информация

Тип судна: Крейсер

Модельный год: 2000

Год постройки: 2000

Страна: United States

Layout Helm

The 52' Tiara Express model has great lay-out. The bridge deck is a huge space with a large helm to port. The command helm is easy reach and operate all aspects of the vessel. This large air-conditioned area has a removable carpet over a nonskid deck. The L-shape seat to port easily has room for 5 adults with a custom teak table. Behind the helm is a wet bar with Ice Maker & Refrigerator. This area climate controlled is in enclosed with new EZ2CY. Everything in this area is spotless.

Cabin

From the bridge deck down 4 steps, you enter the huge cabin area, the first thing you notice is the rich teak and soft leather interior with a large galley to port. A twin bed stateroom to starboard (this converts to a king bed) with it's private head and stall shower. The salon has a dinette that will seat 6-8 people and a settee across the companion way. The master stateroom in the bow is very large & comfortable with twin hanging lockers, a make-up table, queen bed on the center line and private head with stall shower.

Bridge Deck
