SPECIFICATIONS

Overview

This beautiful sports yacht is an example of Italian styling at its finest. This sleek vessel draws envious stares wherever she goes, the dark gray hull and silver superstructure with modern lines definitely make a statement. The large swim platform is hydraulic and can be lowered to sit in the water. Integrated into the swim platform area is a built in grill and storage area for the water toys. The aft deck has a white “L” shaped seating arrangement which contrasts nicely with the teak deck and hydraulically controlled table which can be converted to a sunbed at the press of a button; an automated awning can be adjusted to your sun or shade preference. A wet bar and ice maker are built in to make entertaining easy. The salon is spacious with contemporary white leather wrap around couches, ebony wood cabinets and pop up flat screen TV. Air-conditioning throughout, four smart flat screen T.V’s, iPod plug in, Satellite T.V, Sirius Radio and Wi-Fi. Tasteful use of exotic woods and granite with furnishings by Armani. A nice feature is the retractable salon roof and division between the salon and aft deck, which can disappear at the press of a button, to integrate the inside and outside space, making it one entertaining area. At the helm is a range of Garmin electronics including, GPS, radar, sonar and Sky Hook. Fusion speakers throughout. The galley has two convection ovens; wine fridge and granite counter tops, all appliances are modern and stainless steel. The dinette table converts to a bed when necessary. The full beam master state room is contemporary and well thought out, including a stylish breakfast table that has eye level views of the water. The bathroom is done out in a rare black marbled granite which adds to the overall luxurious feel of the vessel. The VIP stateroom, which is forward, has twin beds that can convert into a double and own bathroom. The bows offer a great place to sunbath and take in the sights as you relax on the comfortable bikini pad. At night, the Rio’s state of the art LED interior blue lights and underwater lights make this yacht look amazing.
