SPECIFICATIONS

Overview

Real Slick offered for the first time by her original owner. This V53 is in a class of her own, as you will notice. Not only does the V53 Princess have a sleek and stylish profile, she has an interior of the highest quality, that you would expect to see on much larger yachts. The offshore performance and comfortable Princess ride will speak for itself. To mention just a few of the additional and optional equipment that sets Real Slick in a class all her own: Upgraded D12 Volvo's with low hrs. (just serviced). Tender garage with 2015 Palm Beach Tenders 10.5', Watermaker, Lumishore underwater lights w/color change, bow thruster, KVH SAT TV with 3 receivers, all new Stereos CD/DVD in all staterooms. Movidia Met cushions and sunpads throughout exterior. Over \$130,000 in upgrades in past 2-years.

She is ready to go, with fresh bottom job, wax, and machinery serviced.

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Accommodation and Walkthrough

Real Slick is the nicest, recent vintage, Euro style express boats currently available on the brokerage market. This boat has light use and low hours and is a prime candidate for anyone looking for a high quality express cruiser at a tremendous savings over the cost of a new boat.

Starting at the wide integral stern swim platform, the first important feature of note is the spacious, hydraulically operated, covered tender garage that houses its own 10'5" tender. Continuing up the portside stairs from the platform we come to the single level helm/exterior entertainment deck. All the way aft to starboard is a large sun pad area on top of the concealed garage. Forward to starboard is a huge U-shaped lounge/dinette with a custom made high gloss teak dining table with, cover while opposite of that is a cabinet that houses a concealed, sink, and refrigerator and storage. Access to the engine room is through a hatch in the deck in this area. Continuing forward to port is the U-shaped companion seating area with its own high gloss custom teak serving table which is opposite the fully instrumented helm control cockpit area to starboard. The adjustable helm and companion seats are covered in matching Movidia Metallic Tan upholstery and designed for extended cruising comfort. All the exterior cushions are Movidia material in coordinated tans and blues. The entire helm and companion seating area is covered by a retractable motorized moon roof with three large clear skylight panels that can open with the push of a button to allow for fresh open air ventilation or closed against the elements as needed. Port and starboard power windows.

Continuing down the companion way staircase forward of the helm area, the interior cabin space of the boat awaits. The lower salon area, and indeed the entire interior, is richly appointed in a light Oak satin wood panels and beautiful, high quality neutral upholstered furnishings and surfaces in various shades. The main salon features high ceilings, a large settee, and a satin oak wood coffee table to starboard and the completely equipped galley to port. The salon is fully carpeted with runner and the galley floor is golden teak planks. The salon/galley divider cabinet/counter contains the flat screen TV facing the salon area seating. Hull side port lights and a large circular skylight hatch in the ceiling provide excellent natural light to brighten up the entire area.

All the way forward is the generous master stateroom with its own private en-suite head. This stateroom features a large centerline queen-size berth, hanging lockers, and drawer space. Another circular skylight hatch allows for excellent natural light to flow into this cabin while the blackout blind can provide both privacy and light reduction for sleeping. The master head features a separate shower, Vacu Flush flush head and built in sink with oak cabinets and Avonite counter surfaces.

All the way aft to port and starboard are the two guest staterooms with side by side single berths to starboard and upper lower bunks to port. Also to port is the fully appointed guest head with separate shower, Vacu-flush head, oak wood cabinets and Avonite counter top. Interior entertainment features include Bose Home Theater DVD/CD Surround Sound system in the salon, and flat screen TVs in both the master stateroom and the starboard guest stateroom.

Salon and Dinete Area

- L Shaped sofa, in brown Brisa buckskin Ultra leather
- Cocktail cabinet with bottle storage, under TV
