SPECIFICATIONS

Overview

TURN-KEY boat offered by fastidious owner who is downsizing.

With its classic lines, this downeast cruiser will be show stopper in any marina. The space and stability make this boat a great platform for entertaining, cruising or daytripping. The open layout features the galley, dinette and helm on one level with one-step access to the cockpit. The dinette expands to seat 6 for dining or converts to a double berth to sleep 2. Modular seating in the cockpit will accommodate a small crowd and the custom cockpit bimini can easily be retracted for the sunbathers. Wide side decks make for safe trips to the bow for anchoring.

The cabin comfortably sleeps 2 and has abundant drawer and hanging locker storage while the head compartment has a molded lavatory and spacious stall shower. Five opening hatches provide light and ventilation throughout the boat.

An hydraulic hatch allows effortless access to the engine compartment. Electric bow thruster aids in docking. Overall the Pearson True North 38 is a combination of practicality and beauty.

Call for additional info.
