DETAILED INFORMATION

Vessel Walkthrough

SPINE TWISTER features a deep-V hull and the smooth power of low-hour MerCruiser 8.1 V-drive engines. Her spacious cabin with sleeping accommodations for many makes the 380 Sundancer perfect for long weekend pleasure cruises with family and friends.

On deck: a custom adjustable helm seat with armrests and flip-up thigh-rise, a spacious companion seat with storage below and a large U-shaped aft seat with sun pad and table provide plenty of socializing and sunbathing room.

At the helm, the captain will enjoy a new OEM Sea Ray mahogany tilt wheel with hydraulic steering and dual gear shift and throttle controls.

The portside refreshment center includes a wet bar with sink and faucet, a new cockpit refrigerator and plenty of storage.

Down below: The salon has a sofa that converts to a double berth, an updated entertainment center with new flatscreen TV, Infinity speakers and plenty of storage cabinets. One will also notice new soft goods throughout.

The galley is well equipped for easy living, with a large refrigerator, two-burner electric stove, microwave, coffeemaker, and sink with Grohe faucet and cutting board. Beautiful solid-surface countertops, plentiful storage drawers and hi-gloss cabinets enhance the cabin's stylish interior.

The forward stateroom features a full-size pedestal bed with innerspring mattress and matching linens. The sliding pocket door provides seclusion and a new flatscreen TV is perfect for watching movies in bed.

Fully aft, a u-shaped mid-cabin lounge also converts to sleep two more and includes a new flatscreen TV.

All flooring was recently replaced with synthetic wood so no more worries about spills or shoes!

Accommodations
