DETAILED INFORMATION

Description

Swan's interior layout sleeps up to 12 guests in 6 staterooms, including a two-level master suite, 2 double cabins, 2 twin cabins and 1 convertible VIP cabin on the sky lounge . SWAN has been constructed to accept a helicopter and also an elevator, small modification are required to complete either. She features **Zero Speed Stabilizers**. She's powered by 2 x MTU 12V4000 M60 that allow her to reach a max speed of 16knots and a cruise speed of 15knots. **Not for sale or charter to US residents while in US waters.**

Layout

The Master Suite is located on Main Deck forward, full beam with walk in closets, His & Hers baths, private office and lounge. Four Guest Staterooms are located on the Lower Deck midships. The VIP cabin is convertible to a massage/spa room and located on the bridge deck next to the sky lounge. The VIP head also features a steam room.

The crew quarters consist of 7 cabins forward with over/under berths. The Captain's Cabin is located on Bridge Deck aft of the Pilothouse, followed by the Sky Lounge and an aft deck with dining and seating area. The Sun Deck has a Jacuzzi forward with sunbathing area, followed by a bar, dining area, and lounge chairs aft. A custom disco lighting and sound system has been built for the sun deck. SWAN has been constructed to accept a helicopter and also an elevator, small modifications are required to complete either.

All deck areas are finished in teak.
