---

All safety & fire equipment are up to date as per Canadian Coast Guard inspection per RVYC regulations.

---

## Mechanical

---

- Volvo 2003 28 HP RWC diesel

---

## Remarks

---

**The X 372 Sport was built in Denmark and great build quality and excellent lines. Rare commodity in the west coast of N/A. She is a quick responsive club racer cruiser that has had her share of success proving it since was brought here from the original owner. The boat has a beautiful knife cut mahogany interior and performance exterior in the European way which she has been a fast cruiser these days. She has a low profile hull yet has over 6' of headroom below decks. Two proper staterooms make her a great cruising boat. She has had only 2 owners since new with the current owner owning her since 1993.**

**It's beyond the scope of a listing sheet to show you her history, maintenance and full photography record but I have it and I will send it to anyone that has some real interest.**

**Terrific boat and it's an X-Yacht!**

---

## Exclusions

---

Owner's personal belongings.

---
