Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Overview

WALKTHROUGH

LADY H is the perfect yacht for those who love to comfortably play at sea. She has a level of performance, luxury and style that is second to none. With a contemporary, clean, design and cutting edge performance she is a dream to own and operate.

MAIN DECK

LADY H is very unique. At the swim platform is a tender garage and outboard are window s looking down into the engine room. Through the windows the four Volvo Penta IPS engines may be seen.

On the Port Side is access to the hydraulic passarelle. Starboard stairs lead up to the aft deck from the swim platform. Centerline is a big sunpad. The superstructure stops well forward, which gives the boat a lower profile as is appropriate for an express layout.

Leading forward are wide decks, with a bulwark topped by fashioned teak and stainless steel railing leading forward. At the bow, atop the trunk cabin is a second sunpad. The forward deck is flat and easily accessible . The mega yacht-class quality and scantlings of the ground tackle, cleats and chocks is impressive. The oversize, chrome-plated fittings hint at the construction quality found throughout the yacht. The teak decks are beautifully fitted and finished, providing an effective nonskid surface underfoot and appearing beautiful.

MAIN DECK OUTFITTING

- Anchor and Anchor Handling
- Anchor, stainless steel, 75 lbs.
- Anchor chain storage in forepeak locker
- Anchor chute, stainless steel
- Anchor wash down spigot with hose
- Windlass, chain with controls

Deck Hardware

- Air Horn
- Windshield wiper system 24 vdc /pantograph type with washer system
- Lazzara custom 16" bow, spring and stern cleats, 316L stainless steel
- 1 ½" stainless 316L steel rails on main deck
- Burgee staff, custom stainless steel

- Forward hatch to bow cabin
- Acrylic panel with stainless steel Lady H engraved
- Bulwark boarding doors port and starboard
- Teak aft deck and swim platform deck

MAIN SALON

The main salon, with its panoramic windows offers stunning vistas. At every turn Lazzara's signature woodwork embraces you with a seductive, dark finish. No express yacht would be complete without a retractable sunroof and Lady H does not disappoint. The roof opens and closes quietly with the push of a button. The ergonomically designed helm presents a commanding view of the horizon. It can be tailor fit to any captain with its programmable displays, superior layout and adjustable seats.

- Overhead lighting, LED no over head LED light interior all halogen
- Night light (1 red)
- Lighting 120 low volt, halogen
- High gloss wood interior
- Storage cabinets
- Salon carpet/pad, flooring with wood flooring at entry way

DAY HEAD

- Custom vanity with marble countertop and undermount sink
- Wall mounted faucet
- Headhunter marine toilet
- Mirror
- Teak flooring

HELM

The helm station, with its high helm and companion seats presenting a commanding

view of the horizon all around, is open to the rest of the salon, as well as to the atrium below. The electronics panel swivels on demand to suit the driver's height and position, whether seated or standing. Standing up, the wheel and engine trolls, including the IPS joystick, are at your fingertips, while you can also run the yacht while sitting on the comfortable, well-padded and contoured adjustable helm seat. Gauges and switches are ergonomically laid out and easy to reach and see.

GALLEY

The step-down galley is one of the most magnificent and innovative areas of the yacht. The tremendous windshield bathes with daylight. The glass is both anti-glare and heat-reflective, so the climate of the vessel can be consistently maintained. It is 14 ft. at the highest point from the galley floor which gives this space its lofty feel. The galley has a cozy dining area, exquisite granite countertops and a full-featured kitchen complete with an array of stainless steel appliances.

- Miele convection oven
- Small countertop microwave
- Designer range hood
