SPECIFICATIONS

Overview

Liliya is a sleek, 28-knot planing hulled superyacht built in aluminium. She has already received multiple nominations and earned a variety of international awards, thanks to a balanced cutting-edge exterior design with innovative interior arrangement options. The feature of the innovative folding terraces/balconies that extend past the side decks of the yacht can be enjoyed in the master suite and main salon. Her sleek exterior follow the same lines as all Sanlorenzo yachts, yet the gull wing doors in the pilothouse and sparkling grey exterior colour (or customized colour options), show that she is something altogether different.
