Engines: 2

Manufacturer: Volvo

Model: D9-500

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

VESSEL WALKTHROUGH

Euforia is a very nice diesel cruising yacht located on the Florida Gulf Coast in Ft Myers Beach. The Carver Voyager Grand Salon is one of Carver Yacht's best and most successful cruising boats. It handles better at sea and in tight quarters than the Carver motor yachts. The cockpit, salon, & galley are on one level. With 3 staterooms, air conditioned hard top flybridge, and less than 4' draft, this Voyager GS is a perfect cruising boat. She is a turnkey vessel in exceptional condition and ready for your next cruise!

LED lighting has replaced the halogen lamps throughout the vessel. This offers bright, cool, safe, low amperage lighting. The reduced power demands are a big advantage when anchored and trying to conserve battery power.

The interior is tastefully appointed with carpeted floors, cherry cabinetry, Ultraleather upholstery, granite galley counter top and floor tiles, décor-matched mini blinds, and solid surface vanity tops.

Entering the cockpit from the swim platform through the transom door, there are molded stairs to the flybridge, molded steps to the side deck with bow rails back to the cockpit, and stainless steel & glass sliding doors to the salon. The spacious salon is bright and open with two Flexsteel barrel chairs, a Flexsteel lounge with double incliners and two ottomans, all upholstered with lush Ultraleather. The large galley is forward to port with cherry cabinets and granite counter tops and floor tiles. The raised dinette is a great place to relax or work on your computer as well as enjoy a meal. Large windows offer nice views in all directions

The master stateroom is forward with an island berth and private head with separate shower. Moving aft, the guest head is to port. The VIP cabin is amidships to starboard with a double berth and a single berth which convert to a King. Opposite to port is the guest cabin with a double berth and the washer/dryer combo.

The flybridge is fully enclosed and has a hardtop and reverse cycle A/C & heat. The dinghy and davit are located on the flybridge.

The side decks with bow rails back to the cockpit provide safe access to the foredeck. There are two foredeck storage lockers, anchor, anchor davit, and electric windlass with foot switches and helm control, and a sun pad w/cover.

SALON

The carpeted salon is nicely appointed with cherry wood cabinetry and Ultraleather

upholstery.
