Hull Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: Navy Blue

Hull Designer: Everglades

Engine Information

Engines: 3

Manufacturer: Yamaha

Model: F350

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

OVERVIEW

This 350cc Everglades was a special build, with every option and upgrade. Offering an incredibly soft, dry ride with an unsinkable RAMCAP construction.

Manufacture Description

A high-end fishing machine and the largest boat in today's Everglades fleet, the 355 Center Console (called the 350 Center Console in 2007-11) is stylish, fast, and loaded with amenities. Built on a deep-V hull using the company's proprietary RAMCAP construction process, the 355 is virtually unsinkable thanks to the urethane foam injected between the hull and deck. She's also innovative—the combined glass windshield/T-top has become an Everglade's trademark. Standard features include triple helm seats with flip-up bolsters, electric high-low bow table, foldaway stern seating, two livewells, forward fish box and cooler, and an aft bait freezer. A clever foldaway seat on the rear of the bait well doubles as fighting chair. The 355's large console head compartment includes a small quarter berth plus a sink, shower, and storage drawers. An anchor hatch at the bow provides access to the windlass, control switches, and a washdown hose. The powder-coated windshield frames and bow rails are a classy touch, and the hardtop has a built-in ladder for access to an optional upper helm station. This kind of quality doesn't come cheap.

FEATURES New bottom paint - Aug.2016 New forward bow cover, center console cover, and tackle center cover. - Aug.2016 New live bait well pumps. -Aug.2016 Installed new fresh water pump and salt water wash down. - Aug.2016 New LED spreader lights. - Aug.2016 The hull and engine repainted including new engine decals and covers. - Nov. 2015 The tower and radar repainted. - Nov. 2015 All helm switches were upgraded Furuno 72 mile 25Kw radar with 4" open array The entire boat has new seat cushion forward, helm aft seating and fighting chair seating and tower seating Coaming bolsters has also been recovered

Must see this vessel to appreciate all of the recent upgrades and improvements. Motivated Seller!
