Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Sleeps six in three staterooms. There are three owner and guest staterooms including three guest heads and three guest showers. Crew accommodations include two berths, one head, and one shower.

Vessel Walkthrough

The large aft deck has a built-in facing seat and hi-low table that seats six for dining. The spiral staircase to the flybridge is to port, and to starboard are full controls for easy docking. Entry into the main salon is through a highly crafted stainless steel sliding glass door. Throughout the spacious salon is a stunning display of high gloss burled mahogany softened by rich blue carpeting and custom white curtains. To starboard are two semi-circular sofas with the hi-low TV in the middle. A large coffee table with three ottomans face the sofa. On the port side are two built-in seats with a built-in table and shelves encompassing the VCR controls. A built-in liquor locker is forward. The open-style galley is located on the port side and is separated from the salon by a service bar. Opposite the galley is an interior stairway leading to the flybridge with a formal dining table for six forward. Further forward, on the port side is the main helm with a door for access to the port side deck. A comfortable bench with pop-out foot rest makes for comfortable navigating. A wide companionway leads below deck to the cabins. The dining area benefits from a perfect water view where occupants are at the most comfortable vantage point to watch the shoreline underway. In the passageway forward to the master is the built-in washer/dryer with additional closet and lockers. Proceeding aft from the main salon down circular stairs and a sound deadening door is the entrance to the hallway to the engine room and the aft guest cabin. The hallway exits to the swim platform which is equipped with a swim ladder and hot and cold shower. There is a hydraulic passerelle to port. Up on the flybridge is one of the best features of the Horizon 70 that can easily accommodate a dozen or more guests. A curved settee and table seats at least six with unobstructed views. To port is a refrigerator, icemaker, grill, cook top and sink, all in a beautiful fiberglass enclosure. The helm is to port forward with built-in seating on both sides. The helm has great visibility for ease of handling.

Master Stateroom, Forward

The full-beam master stateroom features custom fabrics, drapes, carpeting, and high gloss varnish woodwork. There is a settee to port, and vanity to starboard. Forward to starboard is a large and airy head. A built-in concealed TV/entertainment center is on the forward bulkhead. King berth with mirrored headboard Carpeted storage with

hydraulic lift hatch under the berth Ceiling indent over with indirect lighting (3) Closets TV Dresser with lockers under Reverse cycle air conditioner with individual controls Safe (2) Built-in night stands AM/FM radio/cassette player Telephone Vanity Indirect lighting system (4) Opening port lights

VIP Stateroom, Forward

The VIP Stateroom features a Queen size bed with beveled mirror headboard and carpeted storage below, large hanging lockers, ample drawer storage, and a comfortable settee. There is sconce light fixtures, and indirect lighting in a sculptured ceiling. The spacious ensuite bath includes an over-sized stall shower, VacuFlush head, and Grohe fixtures. Queen berth (2) Night stands with lamps Telephone Head Manual built-in bilge pump Stall shower Carpeting Sink Bench seat Air conditioner with individual controls Vanity with stool Cassette tape player (4) Opening port lights

Guest Stateroom, Aft

The guest stateroom is located aft featuring twin beds with a night stand in between. The large head is across the hallway and has an over-size shower stall, VacuFlush head with Grohe fixtures. The stateroom is finished in Birdseye maple. There is a workshop storage area before you get to the swim platform which has a microwave and refrigerator. Drapes TV/VCR AM/FM radio/cassette player Air conditioner with individual control Carpeting (2) Opening port lights

Salon

The main salon is accessed from the aft deck through a heavy stainless steel sliding door that has a screen. Entertainment center with controls to aft deck & flybridge, all with isolated controls Separate wine & liquor locker KVH satellite receiver, 2005 Sony 80" projection TV with full 5.1 surround sound system, 2004 Entertainment center with controls to aft deck and flybridge (2) Semi-circular sofas with storage under Coffee table with (3) ottomans Air conditioning with controls Carpeting (2) Built-in settees to port Drapes Leather upholstery, 2003 Yamaha audio & DVD system, 2004 4-Zone audio system, 2004
