Overview

FRESH WATER BOAT IN FLORIDA ONE YEAR...

This 370 is made for cruising with friends and family. The 13 foot beam with a modified deep V hull provides for a comfortable stable ride which will make you feel like you are in a much larger vessel. The U-shaped aft seat allows for an spacious conversation arrangement and the transom door allow for easy access to the swim platform. The 370 Express offers a surprisingly spacious interior with a large salon and an aft couch that converts to a double berth. The dinette is well positioned for conversation, TV watching and can be used as a berth as well. There is a large Head with a shower stall for the occasional overnight or extended cruising. The Master Stateroom is located forward and offers a double berth with storage. There are two hang-up lockers and privacy curtain to separate the Salon. The Galley is located on the portside with a refrigerator, microwave and ample storage in Cherrywood finish. The desirable fresh water cooled Volvo 8.1 engines provide excellent power. This has been in fresh water up until last December when it was moved from Tennessee. Hours on this 370hp is 185 and it shows like new!!!

Basic Information
