DETAILED INFORMATION

Specifications

Accommodations and Walkthrough: Boarding via the large aft swim step you enter a comfortably sized, partially covered aft deck that features a sink, counter top, storage and Ice Maker. To port is a centerline opening door to the salon, and to starboard is a stern helm station. There are port and starboard walk around side decks. There is a hot and cold shower on the swim step, occasional chairs and folding teak table. Entering into the salon you have to port a U-shaped settee and hi/low teak dining table. To starboard are two occasional chairs and built-in TV. Moving forward is the open complete Galley and to port a pass-through to the raised pilothouse. Up a couple steps is the pilothouse that features port and starboard wing doors leading out to the covered walk around side decks. To starboard is additional storage, a nice countertop and built in wine cooler. Centerline is a complete helm station with 2 helm chairs, aft is a raised L-shaped settee with teak table. Stairs lead up to the hard top flybridge with enclosures, centerline helm station and L-shaped settee behind with 2 teak tables. To starboard is an additional countertop with added storage, sink and ice maker. There are also cushions with back rests for additional seating. Moving aft is the boat deck with davit and tender.

From the Pilothouse stairs lead down to the guest sleeping accommodations with separate starboard stairs from the Salon. Midships is the master cabin with king berth, hanging lockers and storage drawers and ensuite head that features stall shower, sink, countertop and head. Moving forward and to port is the guest cabin with upper and lower berths. To port is the second guest head and stall shower. Forward is the VIP guest cabin with centerline queen berth and ample storage lockers.

- Exterior snap on windshield and window sun shade covers
- Dual anchor system
- Rendova 14' hard bottom inflatable & 60hp Yamaha 4 cycle outboard
- New canvas for tender (2012)

Remarks: This is a fine representation of the popular Offshore 62, an excellent family cruising yacht. She is very well equipped for family cruising featuring three staterooms

with two complete heads. She has been cruising the Pacific Northwest with all the gear to do so. She can cruise comfortably at 17 knots and tops out at 21 knots. There are 1987 hours on the twin 800hp Caterpillars. For ease of handling, in 2014 a Yacht Controller was added. In 2010, numerous electronics were updated. She is stabilized, has a hydraulic bow thruster, watermaker and 14' tender with a 60 hp Yamana Outboard equipped for fishing. Owned by a knowledgeable yachtsman, she is ready to go.

Exclusions: Potential purchasers should assume that items on the vessel at the time of viewing, but not specifically listed on this sheet, are not included with the sale of the Yacht. These specifications are believed to be true and correct but cannot be guaranteed.

Exclusions

Owner's personal belongings.
