SPECIFICATIONS

Overview

This boat is a unique opportunity. A superb hull built by Pershing shipyard with phenomenal sea keeping abilities and speeds up to 43 knots with economic cruise at 35 knots. Current owner has since her purchase in 2005 not stopped with improving boats equipment and installations. In 2010 new engines Caterpillar were installed and complete overhaul of the Arneson surface drives, a new system zero speed stabilizers Seakeeper was installed making this the only Pershing 72S with superb comfort whilst at anchor. All electric installations including light system controlled by Lutron and all audio visual throughout the boat is now installed with the best models offered by Bang & Olufsen equipment. This boat is really needed to be seen to be appreciated and understand the investment done and existing in this fine boat.
