ХАРАКТЕРИСТИКИ

Обзор

BINA is one of only a few Dyna Craft to be sold to US clients. This well established pedigree brand is more commonly seen in the UK, Asia and Australia, and is renowned for their build quality and large yacht mentality.

BINA represents a rare opportunity to buy this sought after brand here in the US.

Модель: D2842 LE433

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Main Features

- 5 Guest staterooms
- Above average condition
- Multiple exterior guest spaces
- Excellent engineering build quality
- Always captain maintained
- Shorepower converter
- Upgraded navigation electronics
- Updated entertainment equipment
- Watermaker
- Bow and stern thrusters
- Central media system for movies, music, shows etc. on demand
- Wave WiFi system booster
- Handheld mobile docking system

Salon

Entering the Salon through the aft full width glass sliding doors, you're surrounded by the custom luxurious interior by Brazilian designer, Oscar Mikail.

The entertainment center is concealed in a latticed teak cabinet and drawers to port, incorporating a 50" Plasma TV on an electrical lift with access to the central media system, Burmese teak flooring, cream ceiling panels, and a contemporary couch to starboard.

Galley

Forward of the salon is a fully equipped open plan galley, with stainless steel counter tops, high gloss teak paneling and panoramic views through the 270deg surround windows.

To starboard is the lower helm, offering a complete indoor navigation station and access to the yacht management system.

Adjacent to the lower helm is an elegant floating staircase that leads up to the flybridge. Forward of the galley are stairs leading to the Master cabin and forward Guest staterooms. **GALLEY EQUIPMENT**

- GE Monogram stainless steel double door fridge/freezer
- GE Advantium 120 oven
- GE Monogram extraction fan
- GE 4-burner stainless steel cook top
- GE monogram trash compactor
- Fisher Paykel dishwasher
- Miele D290 Nespresso machine
- Kitchen Aid toaster oven
- Double stainless steel sink

Master Stateroom

Ocean views from the 6 large opening oval hullside windows grace this cabin from port and starboard, the centerline custom King bed with side tables and drawers dominates the room, and there's an abundance of storage with large cabinets below the portholes plus additional drawers under the bed, making this cabin ideal for extended trips. A 32" Sony flat screen TV, with surround sound Bose System, and movies/music on demand keeps guests entertained. To port is a walk-in closet with hanging space and storage drawers. To starboard is the master en suite bathroom which includes a large mirror, walk-in shower, custom Gessi Fixtures, and toilet with integrated bidet. Custom white marble counter tops and flooring finish this large bathroom off with a luxurious feel.

STATEROOMS

Forward Twin Guest staterooms Each cabin has two oversized single beds, both with large hanging lockers and additional storage above the two port lights and below each bed.

These cabins are flooded with natural light from the large sky lights in the ceiling panels.

A 19" LCD TV and Bose audio/video equipment are incorporated into the room, so guests can relax in private. The en suite bathrooms have a walk-in shower, mirrored sink, and toilet with integrated bidet. This room is finished in white lacquer with custom marble counter tops and floors. **Aft Guest Staterooms** Accessible from the rear of the salon are the aft staterooms. Queen cabin The first is the VIP cabin featuring a Queen-sized bed, walk-in closet with hanging space, and two separate cabinets with drawers and shelves, as well as overhead lockers.

A 19" LCD TV and Bose audio/video equipment are also incorporated into the room.

The en suite bathroom has a large walk in shower, toilet with integrated bidet, floating stainless steel sink and marble countertops. Twin guest cabin This cabin has elevated twin beds, a hanging locker and an en suite bathroom with walk in shower and marble counter tops. All cabins are finished to the same high standards, with beautiful high

gloss teak cabinetry and cream soft goods. Crew cabin Accessible forward is a comfortable crew cabin with two beds, hanging locker and a separate en suite bathroom with shower. This cabin is finished in the same style and level of detail as the main living spaces.

Fly Bridge

FLYBRIDGE

Moving up the port and starboard stair wells from the aft deck is a large flybridge ideal for fun in the sun and entertaining large groups. A semicircular shaped settee and high-low table combination aft. This area can be set up for casual dining with virtually uninterrupted views of the horizon, or set up for relaxing sun bathing.

Forward to port is a large Jacuzzi for 4 people, or can be converted into a raised sun pad for sun bathing while not in use.

Forward is a double helm companion seat.

The flybridge helm is fully equipped with navigation and communication equipment and ships computer.

To starboard is a 3-person sofa and a bar with sink, refrigerator and barbeque grill.

A removable Bimini top covers the helm and Jacuzzi. Aft is the tender and davit, and two 8-person life rafts.

- U-Line fridge with icemaker
- Gaggenau electric grill
- Jacuzzi – 4-person
- Full service wet bar
- Multiple Zone Bose audio system with remote
- Drink refrigerator
- EPIRB
- Nautica 16ft Jet drive tender
- (2) 8-person life rafts

Aft Deck/Bow

The bow area onboard BINA is a much larger area than other manufacturers of a similar size, and has been well utilized for guest use.

Two large sun pads cover the port and starboard sides, allowing owners and guests an additional outside place to relax and enjoy the ocean.

Four Bose weatherproof speakers powered by individual power amplifiers and individual zone remote control.

AFT DECK

Boarding to the aft deck is via the hydraulic passarelle. The vast aft deck features a varnished teak dining table and built-in U shaped settee for 8 with deck space for more. There are two cabinets on the forward bulkhead with a Drink refrigerator and storage.

On both sides are wide walkaround decks to the flybridge which also lead forward to the bow.

- (4) Bose weatherproof speakers powered by individual power amplifiers and individual zone remote control.
- Handheld remote control for docking from the aft deck
- (2) lockers in aft deck, one with refrigerator

ELECTRONICS/Navigation

Flybridge
