---

## Remarks

---

“Ferd the Third” is a very clean original owner boat that has been maintained to the highest standards. The Silverton 45 is a very versatile boat that is great not only as a fishing boat but also a very nice cruiser. She features three staterooms with room to sleep up to (6) guest and (2) heads. The salon, galley and dinette all share one level to provide a very nice open concept. A wrap around windshield creates spectacular panoramic views from inside to complete the area. This boat has it all from Sat T.V., to Air conditioned bridge, to a very secure molded in staircase leading to the bridge from her large 80 square foot cockpit. This boat has been cared for by a very seasoned owner and it shows! The oil has been changed every hundred hours and no maintenance has been missed. With just over 700 hours she is just getting broken in and ready for her next adventure. Please call to schedule a viewing, you will not be disappointed!

---

## Exclusions

---

Owner's personal belongings.
