- High gloss Cherry interior
- Port lights installed RAYMARINE ST60 TRIDATA
- Raymarine twin E120 Radar, GPS and Sounder
- Ray 215 VHF
- The transom was reinforced for passerelle installation

Hatteras Walkthru

Traditional Hatteras double chines are incorporated into the hull design to provide the Hatteras dry ride. A slight twist in the hull bottom - better defined as a variation of deadrise with length - provides flatter sections in the aftermost portion of the hull. These sections reduce resistance, improve handling at low speeds and increase transverse stability while planing.

Access to the spacious (150 sq. feet) flybridge is gained from a ladder on the outboard port side of the cockpit. This one-piece molded bridge will delight the seasoned captain for its ergonomic layout and sheer space. The helm station with its pod console takes center stage. The ergonomically positioned steering wheel (with power steering and a rudder angle indicator) and single-lever electronic engine controls, fitted with mechanical backups and trolling valve switches, are comfortably operated seated or standing. There is plenty of room for a comprehensive suite of electronics on the angled flats.

Guest seating is provided to port on the molded fiberglass lounge with removable cushions (and storage below) and to starboard on the L-shaped bench seat. An insulated drink box is included. Whether you opt for a Bimini, hardtop, or full enclosure with tower, the flybridge offers a rich mix of fresh air, a breathtaking view and quiet surroundings to enjoy with family and friends.

The 54 is designed for serious sportfishing. The cockpit boasts 149 square feet of open space where every element and dimension has a purpose. Fishing amenities include a bait and tackle center with sink, cutting board and tackle drawers; a bait freezer; storage console with drawers, four rod holders; a removable, full sized (80-inch) in-deck fish box with macerator and an amply proportioned transom door.

Hatteras Interior

As you walk through the cockpit door, the Spacious salon offers just under 200 square-foot salon features genuine wood interiors, a custom L-shaped sofa, and entertainment center. Attention to detail is evident everywhere. The air conditioning is routed through slotted wood slots extending the length of the salon and galley located. The 54 Hatteras has a very luxurious real wood interior and offers elegant comfort

- One-inch wood blinds complement this rich wood interior.
- Designed with your lifestyle in mind
- the complete entertainment system includes a television, AM/FM "surround sound" stereo receiver with DVD/CD player and VCR.

Additional Description

The 54 is designed for serious sportfishing. The cockpit boasts 149 square feet of open space where every element and dimension has a purpose. Fishing amenities include a bait and tackle center with sink, cutting board and tackle drawers; a bait freezer; storage console with drawers, four rod holders; a removable, full sized (80-inch) in-deck fish box with macerator and an amply proportioned transom door.

This cockpit also features awesome storage. Note the cleverly designed chill box under the steps and the insulated storage bin below the flybridge ladder. In addition, storage lockers with hinged doors are located below the port and starboard cockpit coamings. Other standard features include full-length toe kicks with foot pedal access to the cabinets and seawater and freshwater washdowns.

Engine Room Engine CAT C 30

- Twin C-30 1550 with 1215 Hours
- 17 Kw Generator
