SPECIFICATIONS

Overview

A proven leader among the serious Sport Fish models this highly maintained 540 Convertible is managed by her full time captain. With her near perfect of design, engineering and of course construction she is a dream in heavy blue water environments. Powered by a pair Detroit Diesel BKX 1271 TI's with just over 1000 hours SMOH. She runs great and will cruise at 25 knots and top out around 28.

A long list of updates and her tastefully redecorated interior is what really makes her stand out to the 54 Bertram buyer.

DETAILED INFORMATION

Vessel Walk Through

VIP stateroom forward has island queen berth, private head with stall shower, TV/VCR, stereo system and A/C control panel. Aft to port is the master stateroom with an offset Queen Island Berth, private head with stall shower, TV/VCR, A/C controls. Aft to starboard is the over/under washer/dryer followed by a third guest stateroom with over/under berths, private head and A/C control panel. Up to main salon with galley forward to port and L shaped dinette forward to starboard. The salon was updated in 2012. The large "L" shaped salon sofa is situated in the aft port corner of the main salon and plenty of room to stretch out and entertain. A custom table is in front of the sofa that offers a tremendous amount of additional storage. Forward and above the dinette to starboard, the locker that used to house the TV and stereo equipment. All oak woodwork has been refinished and the headliners have been replaced as part of the 2012 decor update. The interior colors are shades of beige, brown and green. Cabin windows are tinted and there are canvas covers to protect the carpeting.
