Vessel Walkthrough Starting forward is the guest stateroom which has a v-berth (new upholstery 2011) and private ensuite head with shower to port. Drawers and storage locker under vee berth. There is a large hanging locker to starboard. Aft and up two steps is the salon with lower helm forward to starboard which has complete instrumentation. Electrical panel and a sliding door to Starboard for deck access. Aft on the starboard side is a custom built in seatee with 2 drawers under for storage. The fully equipped Galley which has a full size A/C- D/C Norcold refrigerator (new 2010). The standard United Ocean had a under counter model. The oversize Norcold is excellent for extended cruising. Forward to port is an "L" shaped dinette with new updated upholstery (2011) and high/low dinette table that converts to a sleeping berth for two. An access door is to port aft and the entire area is finished with parquet floors. Aft of the door is a Uline Ice maker inside a custom locker. Down two steps to the large master stateroom with a center line queen with custom innerspring folding mattress. Built-in vanity to starboard. Built-in drawers and storage on portside. Two large hanging lockers. Bookshelves across the aft side of the berth. The ensuite head with tub/shower is forward to starboard. All the interior teak is in excellent shape with no staining.

Brokers Comments

Waterside has been well maintained. Economical to operate with the well regarded Twin Perkins 135 HP diesels. Generator and dual A/C units make it comfortable year round. Interior teak is in beautiful condition. The extra bimini on the lower deck makes for even more space for watching the sunsets while you are cruising. This is a nice boat ready to cruise, do the loop or live-a-board.
