Overview

Well maintained 2008 Tiara 30 Open. Lots of Special Features

She has options such as powder-coated rocket launchers on her hardtop, underwater lights, 30k spent in electronics, refrigerated drawer in cockpit, helm air blower, cockpit sole storage converted to macerated fishboxes, transom fold-down lounge, custom teak cockpit table and the list goes on. If you haven't been aboard a 30, do so. She will blow away comparable boats in the 33'-35' range in every respect. This is a great combination family cruiser/fishing machine.

Vessel Walkthrough

The 30 Open has been a homerun for Tiara for many reasons. With a beam of 12'6" she handles at sea like a 33'-38' vessel. With this enormous beam, one gets extreme stability, a fantastic cockpit for entertaining or fishing, a generous helm deck area and a surprisingly well-appointed cabin for weekend use. This particular Tiara has been outfitted with both cruising and fishing in mind. At the transom, one will find the optional swim platform as well as underwater lights. Moving forward and looking down, one will see what are normally storage boxes in the cockpit sole. The current owner has added macerators and plumbing so that these can double as fishboxes with overboard draining. Moving forward, one will notice a refrigerated slide-out drawer added as well as powder-coated rocket launchers mounted to the t-top. This was also added before delivery. Under the hardtop, one will find a helm seat to starboard and an L-Shaped lounge that seats 4 to port. The helm deck on this boat is absolutely fantastic. Going down a few steps, one will find an incredibly well-appointed salon. She has Teak and Holly sole and plenty of teakwood accents that you would not normally see on a 30' boat. To starboard is a very functional galley and private head to port. The starboard lounge folds out into a double berth as well. Forward, you will find a large owner's berth and plenty of storage below. She's turn-key and ready for her new owners.
