## Broker's Remarks

---

Up for sale is this very nice 1998 42' Fountain Lighting.

This boat has been sitting in storage for the last three years. A mechanic has been starting and maintaining it every month. It has received "tender loving care" and is in great shape for her vintage.

The same mechanic has cared for the boat for the last 13 years.

This is a classic boat from Fountain - it is very F A S T and if you want to make a statement when you pull up to the dock, this is it!

A triple axle aluminum trailer is included but will need some maintenance.

## Exclusions

---
