## Overview

---

### **PRICE REDUCTION! Owner is motivated to sell! All trades considered!**

Tribute Performance Boats like Jim Smith, Monterey and Garlington are recognized in the industry as one of the first innovative builders pioneering the high performance sport fish yachts. Duck Soup was originally built as the Escape for Hank Manley, a legendary tournament fisherman and saltwater fishing enthusiast. The Hull number one was engineer designed by Richie Sheffer to travel and fish the world. Duck Soup is a testament to the quality, design and construction. Tribute's innovative designs utilize state of the art materials that are still copied by the so called modern builders of today. Duck Soup has only had four owners and every owner has built a new Tribute when it was time to move up. Those owners will quickly tell you that the 58' is still by far their favorite boat. Some highlights of the build and updates include: Bottom is triple layer cold molded construction Entire hull is wrapped both on the inside and out with stitched Fiberglass. The glass was applied between each layer for strength Fuel Capacity: 1525 gallons 1400 usable Fuel tanks are glassed and fiberglass wrapped (2) Tanks 1200 aft 325 forward Fuel Burn: 1700 RPM's 30 Kts, 70 GPH Exterior faired and painted in 2007 Extensive interior updates Re-powered with Mans 1360 CR 2011 Electronics replaced 2013 Audio Video 2014 Bottom was stripped re epoxied and barrier coated 2015 Shaft Tubes custom stainless steel 2015 Duck Soup is priced to sell the best buy in a high quality high performance custom sportfish on the market today. She represents one of the best builds available with a clean history and stellar tournament record. Truly a must see for the buyer interested in a Bristol condition high performance tournament sport fish ready for the winter tournaments.
