DETAILED INFORMATION

Walk-Through

Step onto the swim platform and you will find a pair of molded staircases that lead up to the aft deck. The aft deck is covered and measures almost 200 square feet. The flybridge is 12'6" wide and is outfitted with creature comforts like shade, ample seating, a wet bar, BBQ, and built in table. The boat deck features a 1500 LB davit plus ample room to keep a large tender. To access the main salon, walk forward from the aft deck through the stainless steel framed sliding doors. The salon is large and you appreciate the yacht's beam which stretches over 21 feet! The living room is located all the way aft and is comfortably furnished with a leather sofa and four occasional chairs. The dining room is forward and offers seating for eight plus is complimented by a beautifully crafted wooden credenza with stowage for china and crystal. Forward to port is the wet bar with granite counter and attractive stools. Accenting the décor are highly lacquered, wood paneled bulkheads, window treatments, recessed lighting, and carpeting. The galley, found forward and to starboard, has all the space and equipment required to accommodate food service. Granite countertops provide more than enough space for food preparation. There is a handy day head on deck located opposite the galley to port. The Pilothouse offers good visibility, all monitors and gauges are easy to read. Access to the four staterooms are via a staircase located forward of the pilothouse. All joinery found throughout **BELLISIMO** is finely crafted and matched perfectly for color and grain. The VIP cabin is located forward and features a raised queen berth. Next, two guest staterooms found to port and starboard accommodate four guests in single berths. The owner's cabin stretches across the yacht's beam and offers a king berth. The master bath is oversized and is complimented by a large Jacuzzi. Each guest stateroom offers its own ensuite head.

Broker Comments

Tarrab has been building yachts for more than 55 years and today is Argentina's premier builder of yachts. All Tarrab Yachts are constructed of solid fiberglass and only the highest quality U.S. parts and components. Tarrab Yachts are designed to provide the ultimate in comfort and each feature wide beams and low centers of gravity to provide outstanding accommodations and to enhance stability in a seaway.

Like her sisterships, the construction of **BELLISSIMO** was supervised by Det Norske Veritas. The Tarrab 751 has three watertight bulkheads plus five structural transverse bulkheads which are glassed in on all sides. The engine room sole is steel including a one-piece channel steel engine beds which are through bolted to the stringers. **BELLISSIMO** offers a four ensuite cabin layout with an on deck day head and a separate crew quarter aft. She is powered with CAT 3412 Diesels that have 2100 hours. She is equipped with twin Northern Lights generators, a 1200 GPD Watermaker, Stabilizers, large inverter with solar panels, Ghost Alarm with seven cameras, and a world class underwater light system. The current owner has cruised US, Mexican, Bahamian, and Caribbean waters. In addition to enjoying the yacht for personal use, over the years the owner has also built up a book of charter clientele who have enjoyed boating, diving, and fishing adventures.

Exclusions

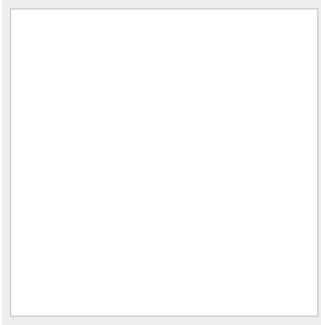

Owner's personal belongings.
