DETAILED INFORMATION

Accommodations

This incredibly well built and well cared for Endurance has had one owner since new. She offers 3 staterooms, 4 heads, with a fully finished crew quarters and crew galley. The country kitchen layout provides great additional living space on the main level while the climate controlled bridge with hard forward windows provides a great and comfortable driving station. She is powered by twin Caterpillar C-18's each at 930HP. This vessel is turn key ready for its new owner. Please see full specifications.

Hull

- Hand-laid solid fiberglass hull molded in one piece.
- Vinylester resin for first 5 layers of hull lay-up.
- 2 layers of Kevlar from chine to chine and 3 layers of Kevlar in the fwd collision zone.
- Hand-laid fiberglass deck, deckhouse, and flybridge cored with high strength Divinycell foam.
- Hull/deck joint thru-bolted every 6", sealed with 3M 5200 sealant, and glassed over with 3 layers of fiberglass.
- Longitudinal and transverse stringer system.
- Molded F.R.P. rub rails capped with solid stainless steel trim rails.
