SPECIFICATIONS

Overview

"Dawny B" is a Beautiful Example of the Viking 38, single stateroom Convertible. This is hull # 43 of the 44 38' Convertibles built, AND this is only the 2nd Owner. With a beautifully Updated Interior, Tons of Upgrades (Over \$100k spent in 2015 alone), fresh engine service, new carpeting, new Ultra-leather upholstery, new Amtico "teak & holly" flooring in the salon entry, galley, dinette and head. All salon windows were removed and replaced, resealed, with all new Custom interior teak window trim (Beautiful). Complete bottom job 10/15, all heat exchangers and coolers have just been serviced. New SAT TV, New Garmin 5212's, New Fusion bluetooth stereo, New LED lighting, Plus much more. This vessel is truly a must see!

- Shore Power Inlet - 50 amp shore power with Cablemaster, All New
- Generator - Onan 8 kw in soundshield, 1521 hou

Vessel Walkthrough

With her transom door and gate, it is just as easy to step aboard from the floating dock, as it is to drag aboard a Bigeye Tuna. The cockpit is deep and safe with flush mounted rod holders, an In-Deck fishbox (new macerator pump) and built in door and drawer tackle storage. There is a bait freezer, fresh water bait prep sink, Raw water washdown and cockpit control station. The new 130 lb class Pompanette Fighting Chair features BOTH a launcher back and ladder back (Launcher back is shown in the listing photos). The outriggers are triple rigged with teaser reels and have lay-down back legs. There is a Fusion Stereo remote for the cockpit.

Enter the salon through the port side sliding door and the Beautiful Salon is sure to please. Wonderful teak paneling, All new soft goods, with an L-shaped Ultraleather

sleeper sofa, Murray Brothers salon table, entertainment system and fresh carpet and custom carpet runners, plus a new Barrel Chair.

It is here that I would like to stop and speak about the salon windows. The original Aluminum windows and frames were removed and replaced with new Fiberglass frames by Lookout Custom Windows, new tinted Safety Glass and Stunning Teak interior window trim by the Bluewater Yacht Yard. This Installation is Beautiful (please see the photos).

The galley is one step down, and to port. With a stand-up Freezer and Refrigerator, 2 burner electric stove, under counter microwave oven and ample teak cabinetry. Countertop and serving bar with additional cabinet space is here also.

The large U-Shaped dinette is across from the Galley with a table that can be lowered to make this a sleeping space too.

The head can be entered from the hallway, or from the private, Master Stateroom. There is new Teak & Holly Amtico flooring (as mentioned before) a Vac-U-Flush head, stall shower and vanity sink. It should be noted that all sanitation hoses have been replaced with new.

Forward in the boat is the Master stateroom, featuring a Pedestal bed (easy to get in from either side) with all new bedding, cedar lined hanging lockers and storage drawers. The SAT TV system can be viewed on the TV unit in the Master, as well as on the TV in the Salon. Just like the rest of the boat, decorations and soft goods in the Master are tastefully done.

On the Flying Bridge you will find two pedestal seats, an entirely new suite of Top-Shelf navigational equipment, new 3 sided bridge enclosure and a comfortable 2 piece seating space for passengers. It should be noted here that the original forward slanted windshield has been removed. This greatly softens the profile of the vessel and makes for Excellent visibility from the helm.
