Model: 3412E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Dependable Caterpillar 3412E engines. She can run comfortably at 28 knots and tops out at 34 knots. The bridge features a Pipewelder's hardtop, new three-sided enclosure, pop-up console with complete electronics, bow thruster and Mathers single-lever controls. The interior woodwork is flush-fill, high gloss teak, and the decor throughout is tasteful. There are three staterooms (two with queen-sized berths, one with large over/under bunks) and two complete heads. This is one very comfortable boat which offers an excellent ride in almost all sea conditions. Additional information to be added soon.

Bridge

- Pipewelder's hardtop with integral running lights and white and red Halogen lights underneath
- Hand-hold rail on underside of hardtop
- SEA 156 VHF radio
