## Overview

---

Introduced in 1970, the 40 Tri-Cabin was the first big yacht ever built by Tollycraft. A conservative design, she features a straightforward double-cabin interior with the galley in the salon and wraparound cabin windows.

- Extra-wide side decks and a complete lower helm station
- Aft deck for dinghy (included)
- Solid fiberglass construction

The aft stateroom is particularly spacious for a boat this size and came with twin single berths and direct access to the cockpit (a double berth was optional). Sliding deck doors are located port and starboard in the salon, and the interior woodwork is mahogany.

- Re-powered in 2013 with fuel injected GM (Crusader brand) 7.4L big block 330hp gas engines with <500hrs total time.
- Borg-Warner Velvet drives professionally rebuilt in 2013
- Mechanical spaces are clean and dry

This is a great boat for exploring the Puget Sound, and also would make a good live aboard.
