DETAILED INFORMATION

Vessel Walkthrough

MINE TIME is a vessel that has had a meticulous maintenance. She was custom built by the current owner with every Viking option available and numerous special upgrades. Her 2400HP MTU engines proved a comfortable 35 knot cruise and top speeds over 40. This is the only 68' with an additional custom fuel tank for a total of 2900 gallons, providing an extended range of an astounding 650 miles at 30 knots!

The total package of options is too extensive to list; however several highlights include teak deck and mezzanine, slide-out controls in cockpit, custom refrigerated bait tray well in mezzanine, custom tackle drawers under seating, custom rod storage under bridge seating, tuna tubes built into transom.

The interior options and custom features are just as extensive and impressive. Her accommodations provide for eight guests in four staterooms with four heads. This vessel provides a stunning combination of rich fabrics, high gloss cabinetry and wood work, custom granite, headliners and wall coverings throughout!
