Total Berths: 1

Sleeps: 2

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 3

Manufacturer: Mercruiser

Engine Type: I/O

Fuel Type: Gas

DETAILED INFORMATION

Accommodations and Features

Starting at the stern you can appreciate the integrated swim platform of the hull design. She is easy to get in and out of the water and makes for a nice boarding platform from a floating dock. As with most boats of this style, the engine hatch cover has nice sun pad cushions with a little walk way between. This walk way forward puts you in the cockpit. There is a forward facing bench seat and to starboard is a double bolster seat helm station. To port is the cabin entrance. As you go down below you are transported to a time when the 50 Scarab was the king of the offshore power boat scene. The galley runs along the port side. Immediately to starboard is a full head. There is well over 6 ft head room down below so the comfort feel is great. Fwd of that to starboard are two nice seats facing the audio visual entertainment cabinet. In it are original TV and stereo systems. Continuing forward there is a huge plush U shaped seating area with a dinette table. In the fore peak of the vessel there is a large queen sized sleeping berth.

Some of the highlight and features of A GROUP include.....

- 270 original fresh water hours
- SS exhaust system angled down under swimplatform for lower noise
- 6.5 KW onan generator (new carburetor)
- Ice maker and liquor dispenser in cockpit
- Brand new full mooring cover
- Full galley
- Full head
- Luxury interior
- Central vac
- Custom built 4 axle HD trailer

Exclusions

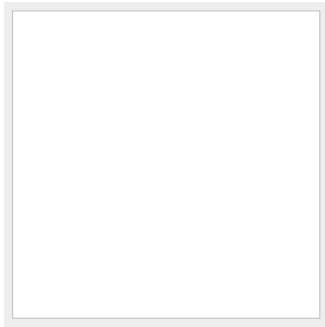

Owner's personal belongings.
