# DETAILED INFORMATION

---

## Accommodations

---

Coming down the companionway one enters the aft end of the salon with the nav. station to port and the galley to stbd.. Moving forward in the salon is the dining table to port with a curved settee and a straight settee to stbd.. The dining table/settee converts to a bunk. There is a flat screen TV on the port side of the forward partition bulkhead. Forward to stbd. is a guest/day head with shower entered from either the salon or the forward stateroom. The forward stateroom is all the way forward with a centerline full bed. Turning around and heading back aft the engine compartment is on the centerline under the cockpit aft of the salon. To port aft is the passageway to the aft cabin. The aft cabin has a centerline full berth aft and a settee to port with storage to stbd.. The aft head is to stbd. forward off of the aft stateroom. It has a tub/shower/stall forward in it. There is lots of storage throughout. The generator is stacked above the engine in the engine compartment. The batteries and inverter are aft of the engine compartment. There are numerous hatches and ports for ventilation in addition to the reverse cycle air conditioning.
