SPECIFICATIONS

Overview

*** OUR TRADE ***

This beautiful Monte Carlo 5 was traded in for her big sister, the MC6. She is extremely well equipped and ready for her new owner.

We have just completed a full engine service and detail. Call today to find out about her many features including:

- **IPS Drives**
- *Hydraulic Swim Platform*
- Flybridge Seating for 12
- 3 staterooms/2 heads
- Full Beam Master
- 2 x Simard NSO16s at Lower Helm and 2 x NSS12" screens on the Fly
- Satellite TV
- Volvo Dynamic Positioning System (Sky Hook)
- Thermal Camera and Aft Camera

Her hull, designed for Volvo's IPS drives, features a wave piercing bow which improves her navigation in the roughest seas.

Beneteau Power has dramatically increased the quality of design and build in this model. She is a must see during your search of a yacht under 60 feet.

*****Call Today to setup an appointment to see this beautiful MC5!*****

Model: D6 - IPS 600

Engine Type: Other

Fuel Type: Diesel

DETAILED INFORMATION

Monte Carlo Concept

The *Monte Carlo line* represents the continuation of the **Monte Carlo Yachts below 60 feet**. The Monte Carlo models share the **same vision of luxury** introduced by the MCY which combines a timeless elegance and the great pleasure to be aboard. The MC 5 stands as a precursor in the Beneteau range in terms of luxury perception : new materials, new wood finishing, strong attention to details... directly inherited from the world of MCY.

The *MC 5* is designed in the **pure Beneteau nautical tradition**, and thus benefits from the experience, the engineering and the industrial power of a nearly **130 years old worldwide established leading brand**.

The *MC 5* is a motor cruiser designed to meet the expectations of a **worldwide clientele** : she offers great living spaces flooded with natural light, high end equipments and technologies to enhance comfort and ensure ultimate well being for her owners and their guests. The MC 5 is meant to be triply great :

Great volume. Great comfort. Great style.

Hull Design

The hull of the Monte Carlo 5 has been designed to **enhance the comfort** of the owner and its guests during the navigation ; to make the journey as much a **pleasure** as the destination.

- The bow is narrow and flared, which ensures a **smooth and safe handling**, as well as a **good deflection** to avoid any back spray.
- Besides, the deadrise at transom (V angle) is approximately 15°, thus quite flat, which provides a good lift and optimizes the **efficiency of the IPS** pods drives. Sides hard chines provide a very **good stability** at mooring and during navigation.
- Finally, this hull design also creates a better bow rise attitude (4° compared to 6° traditionally) : ensuring **optimal visibility** for the pilot and the crew.

Deck Layout

Hydraulic platform :

- integrated cradle for tender
- maximum load: 350kg /771lbs
- integrated ladder with good ergonomic and high handrails

L shape saloon in cockpit

- Seating for 6 people

Retractable sun shade

Easy and safe access to the bridge with a molded staircase. With storage.

Bow sun pad :

- Retractable backrest
- Speakers and audio remote

Aft barbecue and wet bar accessed on swim platform

• Kenyon grill • Sink w/ hot & cold water • Worktop and lights **Hydraulic Swim Platform** - Maximum load : 350 kg / 771 lbs - Flush-mounted cradle for tender

Flybridge

The most comfortable steering position :

- wrap around seat ensuring proper posture for a more comfortable seating position
- adjustable position (seat & wheel)
- full instrumentation - 2 x 12" Simrad NSS

Copilot bench, convertible into large front sunbathing area.

Large socializing sofa with seating for 8 max :

- Foldable teak Table with cup holders and handrails

Multi purpose box :

- Standard: life raft storage
- 50L fridge

Fully equipped galley unit :

- Kenyon grill
- Sink with hot & cold water
- Trash bin & storage

Other Available Options:

- Full length bimini
- Full soft enclosure (option)
- Besenzoni Pilot Seat

Interior Design

- The wood is **Alpi oak** veneer with a brushed finishing, giving a warm and fine perception. - The top of the furniture is padded with **leather** (Trim Level Avantage) and the bullnoses are painted in « Stonegrey » color, with a soft touch finishing. Doors are padded with the same leather (option). - The general color harmony is made of **natural tones** : shades of grey, cream, taupe, all emphasized by the different textures of the materials. - Many **rich materials** have been used to coat the furniture, bulkheads and ceilings : Corian in the galley, Majilite fabrics, high gloss and metallic painting, details of sewing, stainless steel frames for windows and doors - Every **detail** was considered : the tap of the galley sink is perfectly integrated in a stainless steel profile, taps of the heads are flush mounted, indirect LED lights are embedded to emphasize the nice shapes and details, embroideries on bed head boards... the MC 5 will impress !

Interior Layout

Aft door:

- Full opening on the cockpit - High perceived value: stainless steel frame and mirror tinted glass

Galley:

- 75 L Fridge and Freezer with ice maker
- Electric Cooktop
- Microwave
- Oven

Salon:

- seating for 6 pers
- New design of sofa with highly comfortable cushions with Bose
- 32" TV on lifting system

Helm station:

- Seating for 2
- Full instruments, 2x 16" Simrad NSO
- Good visibility thanks to single piece Windscreen
- 2 opening windows, electric
