SPECIFICATIONS

Overview

"LUCE CHANGE" is a fantastic example of the luxury Sunseeker Superhawk 50. The triple engine configuration pushes performance to a near staggering 45 knots and with the striking Blue Hull Band, it is truly a beautiful boat to admire. This Superhawk 50 was designed and built with the trademark Sunseeker performance hull accompanied with powerful engines making your time aboard a lot of fun. These triple engine versions on Trimax drives are quite rare and run trouble free. The deep V hull presents great speeds and enjoyment whilst at sea. Finished in sumptuous Cream Leather and Cherry Gloss Wood, the interior is as elegant as expected of a Sunseeker. This example has a nice specification and had been well maintained with low hours.

Basic Information
