Overview

The NEWEST Addition to the Swift Trawler line

The all new **Beneteau Swift Trawler 30** is Beneteau's newest addition to their very popular Swift Trawler line. She is the perfect design for the cruising couple offering a large master in the bow and a separate shower and head. As seen in her larger sisters, she has amazing panoramic visibility from the helm which also creates plenty of natural light and a very open feel in her salon and galley.

The all new 30 Swift Trawler stands out in the Swift Trawler line with her creatively designed folding mast. This brand new feature from Beneteau allows the owner to quickly fold the radar mast to allow for minimal bridge clearance.

She also features a foldable transom in the cockpit which provides a very open area directly to the swim platform.

The all new 30 Swift Trawler is an incredible new design from Beneteau. She is equipped with so many must sea features including:

- Volvo D6 370 HP Diesel
- Bow and Stern Thrusters
- Raymarine Electronics
- Modular Salon Converts Easily from Seating to Berth
- Large Head with Separate Shower Entrance (Optional stateroom with bunks in place of shower)
- Corian Countertops in Galley
- Foldable Cockpit Seats
- Large Extended Swim Platform
- and much more... Click on Full Specs

Call today to find out more about her! *DYSID:2915816*
