DETAILED INFORMATION

Walk Through

46 is a beautiful example of the legendary Donzi 43 ZR. Powered with twin staggered 700 SCI Mercury racing engines with NXT6 SSM dry-sump drives and Lab finished Mercury 5 blade props. Custom yellow gelcoat exterior with matching seating and trim. Definitely one of a kind! 46 is a 2008 model but actually delivered in late 2009 at the factory with custom aluminum triple axle Rocket trailer and full cover. Always stored inside and used very little with less than 100 hours. Capable of almost 100MPH, 46 is not only fast but a real show piece! Call for more information.
