SPECIFICATIONS

Overview

The current owners bought this boat in March 2015 and have only used it a few times. It is in excellent condition and they don't want it to just sit. It is turnkey ready for you and your family's next adventure.

Chris-Craft has made an impressive arrival in the fishing boat market with its Catalina range of center consoles. The first, and smallest entry is the practical but elegant Catalina 23. It is powerful enough to double as a watersports boat, making the Catalina 23 a perfect choice for just about any boating activity. Boasting two of Chris Craft's most recognizable features, the deep-V hull and flared bow, passengers can be assured of a smooth ride while aboard.
